Tech Knocks NEWS LETTER

Department of Computer Science and Engineering

Volume 3, Issue 2, DEC 2017

Vision:

To achieve academic excellence in Computer Science and Engineering by imparting in depth knowledge to the students, facilitating research activities and cater to the ever changing industrial demands and societal needs.

Mission:

M1: Latest Tools: To provide exposure to students to the latest tools and technologies in the area of computer hardware and software.

M2: Industrial Environment: To establish interaction with industry oriented institutes to make the students ready for the industrial environment.

M3: Quality Education: To provide quality engineering education to the students through state of art education.

M4: Research based Projects: To promote research based project/activities in the emerging areas of technology convergence and serve the needs of industry, government, society and the scientific community.

M5: Human Potential: To develop human potential to its fullest extent so that intellectually capable and optimistic leaders can emerge in range of professions.

The Program Educational Objectives (PEOs):

PE01: Professional Development: To enhance the students' skills and amend new computing technologies through self-reliant professional development.

PE02: Research: To advocate design, research and implementation of products and services in the field of Computer Science & Engineering through strong communication, leadership and entrepreneurial skills.

PE03: Technical Achievements: To be a part of industry, government or entrepreneurial endeavors to demonstrate professional advancement through significant technical achievements.

PE04: Designing Solutions: Be endowed with the ability to think logically and analyze technical, business oriented problems and design solutions.

PE05: Professional Ethics: To maintain professional ethics, corporate grooming and demonstration of personal responsibility.

Program Specific outcomes:

PSO1: Programming skill: To gain skills in terms of programming and problem solving related with the computer science discipline.

PSO2: Training: To inculcate the knowledge in problem solving, providing continuous profession inputs based on various trainings.

PSO3: Competent skills: To develop competent skills and knowledge of software design process. Familiarity and practical proficiency with a broad area of programming concepts and provide new ideas and innovations towards research.

Achievements

Winner of TCS Testimony 2017

Tata Consultancy Services, a leading IT services organization, announced the Winner of Testimony 2017 that more than 1,08,000 students from over 1000 universities and colleges across India competed in the fifth edition of TCS Quality Engineering Contest, 15 finalists contested for the top three spots at the **TESTIMONY 2017** grand finale held on July 26 & 27 at TCS, Siruseri. The first place was won by Gautham A from CSE Department, Sri Manakula Vinayagar Engineering College, Puducherry got a cash prize of Rs.1 Lakh

- Nithyanandan J, Amellesh P, Ramalaingam S, Divakar Krishna SV are called for the Direct Interview at Tata Consultancy Services through **Code Vita 2017**, International Coding contest organized by TCS.
- Nithyanandan. J got first in **Debugging** contest organized by VRS Engineering College, Arasur, Tamilnadu.
- Fredric .S got first in **Tech Quiz** contest organized by VRS Engineering College, Arasur, Tamilnadu.
- P. Murgesh of IV year student got first prize in **Cloud Competition 2017**, a project contest organized by Sri Manakula Vinayagar Institute of Technology, Puducherry. Hariharsudan .S and M.Subash got Second prize, Shyam Suganth .J and Thamarai selvan S got Third prize
- Hariharsudan .S and M.Subash are the winner of "**Android 2017**" a project competition organized by the Mailam Engineering College, Mailam, Tamilnadu with the cash prize of Rs.10,000/-
- Google organized workshop on "**Applied CS with Android**" from 19th June to 24th June 2017 and competition on Android at Pondicherry Engineering College, Puducherry. Our students Gautham .A, Yoga Babu Subramania Bharathy .S got first prize in the Android competition.

Faculty Development Programme :

M.Shanmugam, Assistant Professor attended "DDFEP" on Foundation Program 5.0 by **Infosys Campus connect** program from 24th April to 28th April 2017 at Velammal Institute of Technology, Chennai.

Event Organized:

Innovators Day 2017

Every year CSE department jointly with IT and MCA department organized a National Level Project contest "**Innovators Day 2017**". This year more than 250 teams participated on this event. Grand finale will be held on 15th September 2017 with the cash prize of more than Rs.50,000/-

Technical Club Activity:

Alumni Meet 2017

Mock Interview

Resume Correction

Guest Lectures:

“Future Disruptive Technologies” by Dr. Prasanna Venkatesan, Professor and Head, Department of Banking Technology, Pondicherry University.

“Networking” by Mr. Shanmuga Sundaram, Micreds Networking, Puducherry

NEWS Report:

Career Development Training :

Department was keen in organizing and providing systematic placement trainings for all the students. These trainings equipped the students with the requirements of the industries.

Training given to our students on:

- Soft Skill Training
- Verbal, Non Verbal and Reasoning Skills
- Communication Skills
- Aptitude Training
- Technical Training
- Value Added Courses
- GRE, GMAT, Tofel, IELTS, IPS etc.,
- Interview Handling Techniques
- Motivation Programs
- Mock Interview by Alumni
- Guidance Programs for Research Proposals.

Various Training Program organized by the Department

Placement Details :

2017 Batch Placement Details

Name of the Company	No. of offers
ZOHO	1
KAAR Technologies	2
Tata Consultancy Services	64
Tech Mahindra	9
Virtusa Polaris	5
Logic Heart	7
SLK Software	1
Excelesia	1
Sutherland	31
Mobius	7
XLOKK Soft	3
Eureka Forbes	4
Just Dial	4
South India Roadlines	1
Zealous Services	1
CSS	9
Oppo	5
AEON Hewitt	1
Infiniti Software Solutions	1
Others	5
