

SRI MANAKULA VINAYAGAR ENGINEERING COLLEGE

Accredited by AICTE, Affiliated to Pondicherry University,
Accredited by NAAC - A, ISO 9001 : 2000 Certified Institution

Vision

To produce dynamic and versatile software engineers adaptable to the every increasing demands of emerging technologies involving analytical and practical skills and enabling them to face any challenges in the global network

Mission

- M1: Competence** - To provide excellent IT engineers with strong analytical, programming and problem solving skills to meet the prerequisites of the existing world and future
- M2: Exemplar** - To instill the institution ethics in their field to cope with the needs of society
- M3: Complaisant** - To accord a prompt and courteous professionals in the IT sector
- M4: Eminence** - To bring the overall personality development of students for the unmatched academic excellence in near future

Programme Educational Objectives

- PEO1: **Expertise** - To provide essential background in Science, Basic Electronics and applied Mathematics
 - PEO2: **Fortify** - To prepare the students with fundamental knowledge in programming languages and to develop applications
 - PEO3: **Equip** - To develop skill in understanding the complexity in networking, security, data mining, web technology and mobile communicationso as to develop innovative applications and projects in these areas for the betterment of society,as well as to enable them to pursue higher education
 - PEO4: **Endow** -To enable the students as full-fledged professionals by providing opportunities to enhance their analytical, communication skills and problem solving skills along with organizing abilities
- Convention** - To familiarize the students with the ethical issues in engineering profession, issues related to the worldwide economy, nurturing of current job related skills and emerging technologies

Information Technology

The Department was established in the year 1999 with the vision of producing dynamic and versatile technologists. The eminent faculty members of the department possess demonstrated expertise in various domains of information technology that made learning process much easier and transform students as Top-notch engineers being hunted by top Multi-National Companies.

Student Activities

TCS Testimony- 2015

A National Event organized by TCS that encourages students to enhance their knowledge in software testing as well as reward them for exhibiting exemplary talent and knowledge in Software Quality and Testing.

Mr. James Martin and Mr. Sugandhan, III Year Students, won First Prize, a cash award of Rs. 1 Lakh, iMac Desktop and Three Months Internship offer from TCS.

Honour from Management - Winners are honoured with an equal contribution of Rs.1 Lakh cash award.

Placement Details

- Our students proved that they are corporate ready professionals apart from excelling in academics through their progressive increase in placement percentage.

Placement Details

S.No	Company Name	No. of Students Placed
1	TCS	75
2	Tech Mahindra	08
3	L & T InfoTech	10
4	Sutherland	14
5	ZOHO	01
6	PRANAS	03
7	AAGNA	20
Total		131

Past 3 years Placement Record

Batch	Placed Percentage
2009-2013	82%
2010-2014	91%
2011-2015	94%

University Rank Holders

Placement - 2016

University Gold Medalist
