## About College

Sri Manakula Vinayagar Engineering College was established in the year 1999. The institution has been approved by AICTE, New Delhi and affiliated to Pondicherry University. It is the first institution in Pondicherry State which has received ISO 9001:2000 Certification and has established the 'Nila Community Radio Station' with the approval of Government of India. It is the first engineering institution in Puducherry which is accredited by NBA and NAAC with 'A' grade. It is also accredited by the IT giant Tata Consultancy Services (TCS). Within a short span of time, the institution has attained an enviable reputation by possessing all the hall marks of a premier institution in pursuit of excellence. The institution aims at equipping budding professionals with excellent theoretical and practical knowledge. It also takes pride in developing the students with leadership and interpersonal skills and thus shaping them into strategic scholars with competitive spirits who will be capable of delivering their best in the technological world.

### Chairman's Desk

The newsletter is a right platform for the college to showcase the achievements and the activities of the staff member and students of the college. The education we impart would encourage all the students to flourish their knowledge in the relevant branches of engineering with high self-esteem and discipline. As the faculty members are constantly pushing the frontiers of knowledge, we ensure that our students have a futuristic approach that embellishes with the changing trends in the professional world through global perspectives. The releasing of newsletter will motivate the staff and students to take further steps in achieving and participating in various activities.

### Vice Chairman's Desk

The newsletter spotlights the various triumphs of students and faculties. I hope the reminiscences of this work will help us to remember the pleasant memories contributed by our staff and students. With great ebullience, I am appreciating the release of Newsletter 2018. It comprises of various activities and achievements of our college which helps in proceeding the vision of changing the world through education. I hope this newsletter will serve as one of the ways to help you keep connected with our renowned work and to find many opportunities in which you can work with us to develop your intellectuals.

### Secretary's Desk

The idea of releasing the newsletter comprises the achievements of our staffs and students with their excellent outcomes of their works are commendable. It is heartening to see our staff and students' communities joined together and striving to reach greater altitudes and there by rising beyond boundaries. I am sure that this will certainly inspire others to excel in their career. I zestfully extend my best wishes to the entire team for this valuable outcome in releasing the newsletter.

### Director's Desk

It's my pleasure to thank the entire team which provides an opportunity for establishing the progress of the academics. It is launched with the motto of dissemination and compilation of information related to the college. This newsletter will be a great opportunity for the staff and students to craft and showcase their knowledge and skills. I am gratified to see that the students are contributing a lot of creative ideas to uplift our society through the education being imparted to them. Hearty wishes to this team.

### Students Achievements

Dear Dhanush & Kumaresh,

Thank you for your request for the Internship and informing us about your interest area for Internship.

In this regard, we are happy to let you know that both of you can be inducted as interns in IIT KGP till June end or further, based on your Institute's allowance.

Both of your broad areas of Internship work will be on "Design and Analysis of Brushless DC motor" having several thrust areas which are crucial for the development of motor for electric drive.

Also, let us know the formalities to be done from our side to fulfill the requirements for Internship at your Institute.

Best,  
Somnath Sengupta,  
Assistant Professor,  
Advanced Technology Development Center,  
IIT Kharagpur,  
India

R.Dhanushvarma & A.Kumaresh, III Year Students has exhibited an innovative project work titled, "Performance improvement in PMBLDC motor by novel airgap profile" in the event KPIT SPARKLE -2020 on 01.03.2020 under the guidance of Mr.C.Adrien Perianayagam, AP/EEE. Dr. Somnath Sengupta, AP, Grade-I, Advanced Technology Development Center(ATDC), IIT Kharagpur, has appreciated the students work and offered an Internship for its Novelty, Social impact, Technical prowess and Totality of pro-totype.

Mukesh Mani.S.P, Praveen.P, Manoj Kumar.G and Manibarathy.K, III Year Students, Won First Prize with cash award of Rs.8000/- in Robo event-GYANITH'20 organized by National Institute of Technology NIT, Karaikal March-2020

Prasath.P, Rajesh.R, Roopanraj.R, Pravin kumar.A, III Year Students, Won First prize with a cash award of Rs.3000/- in HACKATHON-2020 coding event organized by Sri Venkateshwara College of Engineering & Technology, Puducherry, March.2020.

International Certification courses were conducted for III year students in the areas of Artificial Intelligence with Edge Computing & Embedded Systems with IOT in order to enhance the Technical skills of our students by Trainlab Academy-Ethnotech solutions.

In-house Training programs were conducted for II year & III year students on Design of Solar Energy Systems by Mr.D.Duraiaraj, Assistant Professor/EEE, to enhance the students Technical skills.

Barrath.V, Anirudh.V, Harish K.S and Vasantha kumar.D III Year Students Won Second Prize with a cash award of Rs.1000/- in the HACKATHON-2020 coding event organized by Sri Venkateshwar College of Engineering & Technology, Puducherry on 14.03.2020.
