Dear Dr. VSK Venkatachalapathy,

Greetings from TalentSprint!

In continuation to the TSCOE MoU dated June 08, 2020 signed by your Institute with TalentSprint, we are happy to invite you to launch the Blue Prism Academia Program for your students. Blue Prism Academia Program is part of Blue Prism University. This is an educational program focused on building the RPA (Robotic Process Automation) skills of undergraduate and postgraduate students. TalentSprint, as an Authorized Academia Partner for Blue Prism will implement this Program for your college.

To join this program, you are required to complete the following formalities:

1. Provide an acceptance letter on the institute's letterhead in response to this Invitation.
2. Once we receive the acceptance letter, we will appraise Blue Prism to initiate the launch for which Blue Prism will send an NDA that you will need to execute

Please find the attached draft for both the documents. On completion of the above two steps, your institution will receive a

1. Blue Prism software for your institution (for training purposes only)
2. Partnership certificate that you can put up on your website and other social media channels.
3. Offering Blue Prism Foundation Certification Program to select students of the college.

There is no fee to be paid for Blue Prism Foundation Certification Program and is offered by Blue Prism and TalentSprint in order to enhance the knowledge on RPA in general and Blue Prism in particular for the students of your college. The Blue Prism Developer Certification Program, when available, will have applicable fees and selection process.

Below is the sign up process with Blue Prism:

Blue Prism will send the attached NDA document to the signing authority directly using 'DocuSign' services. Digital signatures can be submitted to complete the signup process.

Please let me know if you need any support / clarification.

As mentioned in the previous email, please share the details of point of contact from your institution whom we can coordinate with and take support in operationalizing this initiative.

Look forward to working with you closely.

--

Regards,
Rithwick M
