This will, in one hand, facilitate to bridge the industry-institution gap and familiarize students with the latest trends in industry and on the other hand the research output could be suitably adopted in practice by NHAI.
- (ii) The Institute shall adopt nearby stretches of NHs as specified in the **Appendix-1** as a voluntary initiative under ambit of Institutional Social Responsibility (**ISR**). The list of stretches may be modified by deletion/addition by mutual consent of NHAI and the SMVEC.
- (iii) The adopted stretch may be used as a field of study for faculty, researchers and students.
- (iv) NHAI shall offer internship to maximum of 10 undergraduate and postgraduate students of the Institute periodically and also extend stipend
- (v) NHAI shall pay stipend Rs. 8,000 (Rupees eight thousand only) per month for undergraduate students and Rs. 12,000 (Rupees twelve thousand only) per month to postgraduate students. All other arrangements including stay shall be responsibility of the Institute. However, depending upon availability, NHAI may extend transportation facility to the interns within the project jurisdiction.

3. ROLES AND RESPONSIBILITIES:

The scope of this MOU shall be carried out in a collaborative mode between NHAI and SMVEC. The Roles & Responsibilities of NHAI and the SMVEC in performing the defined objective shall be as follows:

NHAI

- a. NHAI shall provide the list of potential National Highway stretches for adopting by the SMVEC;

- b. NHAI shall facilitate availability of relevant data and testing required with specific reference to the above stretches through its field office/consultant/concessionaire/contractor engaged in the project
- c. NHAI will nominate an officer as a point of contact for all correspondence in carrying out the defined objective;
- d. NHAI shall facilitate the faculty, researchers and students of the Institute to give access to the site of the identified stretch being adopted by SMVEC, relevant documents for the purpose of activities to be carried by these intellectuals of the Institute;
- e. NHAI through its field office/Consultant/Concessionaire/Contractor engaged in the project, as per reasonable requirement, will disseminate and familiarize the latest trends and know how in highway/transportation sector in general and the identified project in specific to the authorized faculty, researchers and students of the Institute;
- f. NHAI may suitably adopt the research output and feedback received from SMVEC in practice for qualitative improvement as deemed fit at appropriate stage of implementation.
- g. NHAI may support creation of Lab infrastructure in the Institute and can sponsor relevant research project that helps in using alternative resource material and improving quality of roads.
- h. The NH stretch adopted can be co-branded with SMVEC by NHAI

SMVEC

- a. The Institute shall adopt stretch(es) of NHs as specified in the **Appendix-1** as a voluntary initiative.
- b. SMVEC through its authorized faculty, researchers and students will carry out periodic investigation and give suitable suggestions for improving the efficiency of existing highway asset inter alia covering the following aspects:

- (i) Improvements in safety provision by removing existing deficiencies
 - (ii) Improvements in continual maintenance of the stretch using new technologies
 - (iii) Localized solutions for removal of congestion points thereby increasing the average speed of traffic flow
 - (iv) Improvements in the riding comfort through cost effective measures based on innovative technologies on practices applicable in the area
 - (v) Viability of new way side amenities for road user based on the existing traffic pattern and user expectations
 - (vi) Potential solutions to old recurring problems based on local experience etc.
- c. The Institute may also associate with the consultants/NHAI during conceptualization, design and project preparation of new projects and suggest the relevant parameters and innovations based on experience specific to the site climate, geology, topography and resource potential for better environmental and socio-economic outcome
- d. SMVEC will nominate a coordinator as a point of contact for all correspondence in carrying out the defined objective as well as inform, from time to time.
