18-12-2023

This is for the kind information to all the HODs, the R&D Cell and Institutions Innovation Council (IIC) will jointly organise Seminar on '**Solid waste management: Scope and the challenges of sustainability**' by Mr.S.Sudali, Assistant Professor, Department of Centre for Pollution Control and Environmental Engineering, Pondicherry University. This seminar is arranged to promote the **Viksit Bharat@2047** scheme. The seminar is scheduled on **19-12-2023, Tuesday at 10.00 AM in the Conference Hall**. We encourage all interested faculties and students to attend and benefit from this enriching experience. Your presence will add immense value to this academic interaction, and we look forward to your participation.

The HODs are requested to depute the students for this seminar in the below counts.
