Dear Preethi R,

We congratulate you for your efforts in collaborating, researching, and innovating solutions that can fight and win over Covid-19. You have done a tremendous job - we are indeed very proud of you! Your idea has made it to the **Top 10 list of winners** among the numerous solutions received!

The program's objective was to nurture creative minds across colleges in India to innovate solutions that could win over Covid. We are happy to see how you have seized the opportunity, overcoming other educational and personal challenges.

Your Winner Certificate is attached herewith. Feel free to share your e-certificate on any social media platform with the hashtag **#Solveathon**. Your participation will inspire more students to come forward and share ideas in the future!

Thank you.
Best regards,
Team Solve-a-thon
