

SRI MANAKULA VINAYAGAR ENGINEERING COLLEGE

(An Autonomous Institution)

(Approved by AICTE, New Delhi & Affiliated to Pondicherry University)
(Accredited by NBA-AICTE, New Delhi, ISO 9001:2000 Certified Institution &
Accredited by NAAC with "A" Grade)

Madagadipet, Puducherry - 605 107

Department of Instrumentation and Control Engineering

Minutes of second Board of Studies

The second Board of Studies meeting of the Department of Instrumentation and Control Engineering was held on 31st March 2021 at 10:00 A.M in the Simulation Laboratory, Department of ICE, Sri Manakula Vinayagar Engineering College with the Head of the Department in the Chair.

The following members were present for the BoS meeting

Sl.No	Name of the Member with Designation and official Address	Responsibility in the BoS	Signature
1	Dr. L. M.Varalakshmi Professor and Head Department of ICE, SMVEC	Chairman	
External Members			
2	Dr. P. A. Karthick, P.D.F. Professor Department of Instrumentation and Control Engineering National Institute of Technology, Tiruchirappalli	External Member	 Dr. P.A. KARTHICK Assistant Professor Department of Instrumentation and Control Engineering National Institute Technology, Trichy Tiruchirappalli - 620 015. Tamilnadu, India
3	Dr.D. Manamalli Professor Department of Instrumentation Engineering, MIT Campus, Anna University	External Member	
4	Dr. Anima Nanda Professor & Head/ BMI Director IQAC, Sathyabama University	External Member	
Internal Members			
5	Prof.T. Sudha Assistant Professor Department of ICE, SMVEC	Internal Member	

7	Prof..M.Omameswari Assistant Professor Department of ICE, SMVEC	Internal Member	
8	Prof.J.Jeevanantham Assistant Professor Department of ICE, SMVEC	Internal Member	
9	Prof.M.Rekha Assistant Professor Department of ICE, SMVEC	Internal Member	
12	Dr.S.Deepa Professor & Head Department of Chemistry,SMVEC	Internal Member	
13	Dr. T. Gayathri Professor & Head Department of Mathematics,SMVEC	Internal Member	
14	Dr. M. A. Ishrath Jahan Professor Department of English, SMVEC	Internal Member	
15	Mrs.S.Geetha Assistant Professor Department of Physics, SMVEC	Internal Member	
Co-opted Members			
1	Mr. B. Murugan Senior Executive Engineer Biogenomonics	Co-opted Member	
2	Mr. S.Karthikeyan E-Beam control Operator Siechem Technologies pvt.Ltd	Co-opted Member	

Agenda of the Meeting

1. Review of action taken for the first meeting held on 17.6.2020 for R-2019 and R-2020 Regulations — Modifications if any.
 2. To discuss and approve the B.Tech. Instrumentation and Control Engineering, Curriculum and Syllabi, Pondicherry University Regulations 2013 for final year and third year students admitted in the academic year (2017-18) and (2018-19).
 3. To discuss and approve the Curriculum for the semesters I to VIII and syllabi for V and VI Semesters under Autonomous Regulations 2019 for the B.Tech – Instrumentation and Control Engineering students admitted in the Academic Year 2019-20.
 4. To discuss and approve the Curriculum for semesters I to VIII and syllabi for V and VI Semester and ratification of syllabi for semesters I to IV under Autonomous Regulations 2020 for the B.Tech – Instrumentation and Control Engineering students admitted in the Academic Year 2020-21(First Year).
 5. To discuss and approve the Eligible Diploma Programmes for the Lateral entry Student's admission into Second year under Autonomous Regulations R-2020 for the B.Tech – Instrumentation and Control Engineering programme.
 6. To discuss and approve the revised Vision and Mission of the department.
 7. To apprise about the academic calendar for the odd semester (Feb. 21 to June 21) and the conduction of online/offline mode of class.
 8. To discuss about the uniqueness of the Curriculum
 - a. Employability Enhancement Course
 - b. Skill Development Courses- Foreign language /IELTS
 - c. NPTEL/MOOC Courses
 - d. Indian Constitution, Essence of Indian traditional knowledge etc are introduced as Mandatory courses
 9. To apprise about the conduct of special exam for COVID19 affected students
 10. To discuss and recommend the panel of examiners to the Academic Council
 11. Any other item with the permission of chair
-

Minutes of the Meeting

Dr. L.M.Varalakshmi, Chairman, BoS opened the meeting by welcoming the external members, the internal and co-opted members and thanked them for the detailed deliberations on the agenda items that had been approved by the Chairman.

Item:1	<p>Chairman, BoS, appraised the minutes of 1st BoS, its implementation and then it is confirmed with the approval for the incorporation of minor revisions needed as mentioned below.</p> <ol style="list-style-type: none">1. Material science syllabus R. 2020 is vast, can be reduced. Second unit can be split into second and third unit, fifth unit which consists of nano materials was not essential for the first years and the members suggested removing the fifth unit.2. Basic Electronics theory R. 2020 was modified by removing zener regulator from first unit and introduced in fourth unit in special device categories, since it is elaborated in fifth unit.3. Basic Electronics Lab was altered by splitting up few experiments.4. Electrical Technology lab was limited with the experiments.
Item:2	<p>Chairman, BoS, appraised about the Pondicherry University Regulations R-2013, its curriculum and syllabi followed for the present B.Tech — Instrumentation and Control Engineering, Fourth year and Third year students admitted in the Academic Year 2017-18 and 2018-19.</p> <p>❖ Examination and evaluation – SMVEC Autonomous system.</p> <p>The BoS noted the Agenda.</p>
Item:3	<p>R2019 - Curriculum /Syllabus (Annexure)</p> <p>The SMVEC Autonomous Regulations, R-2019, its curriculum for 1 to 8 semesters and syllabi for 5th and 6th semesters, for B.Tech — Instrumentation and Control Engineering were discussed and the following comments were given by BoS members.</p> <ol style="list-style-type: none">1. Linear Control System is introduced in V semester instead of industrial unit operation, later the industrial unit operation is shifted to professional elective II.2. Analytical Instrumentation is included as a core subject in VI semester3. Robotics and Automation is included in professional elective II.4. Virtual Instrumentation is included in professional elective III.5. Ultrasonic instrumentation to be Introduced as open elective IV. <p>Process automation to be changed as Industrial Automation in open elective IV.</p>
Item:4	<p>R2020- Curriculum /Syllabus (Annexure)</p> <p>The SMVEC Autonomous Regulations, R-2020, its curriculum for 1 to 8 semesters and syllabi for 5th and 6th semesters, for B.Tech — Instrumentation and Control Engineering were discussed and the following comments were given by BoS members.</p> <ol style="list-style-type: none">1. Analytical Instrumentation is shifted from the professional elective to the core subject, Industrial Unit Operation is moved to the professional elective II.2. Computer control of processes can be shifted as core subject in V semester, while Robotics & Automation theory is moved to professional elective III.3. To support the biomedical instrumentation subject in VI semester, a

	<p>parallel lab of Diagnostic and Therapeutic Equipment's lab can be included instead of robotics lab.</p> <ol style="list-style-type: none"> Syllabus of power plant instrumentation in professional elective III was revised. Instead of control systems, Industrial safety and management to be offered as open elective-I. In sensors and transducers open elective-I, title of units alone has been modified. Virtual Instrumentation is provided as professional elective-IV. Ultrasonic instrumentation to be introduced as open elective-IV instead of virtual instrumentation. Industrial safety to be introduced as professional elective -V. Process automation to be changed as Industrial Automation in open elective-IV.
Item:5	<p>Eligible Diploma Programmes (Annexure)</p> <p>For lateral entry student's admission, as per the AICTE, any branch students with a preferable pass percentage can apply for the Instrumentation and Control Engineering.</p>
Item:6	<p>The Vision, Mission, Programme Educational Objectives and Programme Specific Outcomes of Instrumentation and Control Engineering department are revised, have been presented in the 2nd BoS meeting. It was approved by BoS members and given in Annexure- III.</p>
Item:7	<p>The Academic Calendar for the Even Semester of Academic year 2020-21 (given in Annexure-IV) were discussed and approved.</p> <p>The classes are scheduled in the online mode for I, II, III & IV years since 27.03.2021 onwards.</p>
Item:8	<p>The uniqueness of the Curriculum such as Employability Enhancement Course, Foreign language /IELTS as a Skill Development Courses, NPTEL/MOOC Courses, Mandatory courses etc, were discussed by the BoS members.</p> <p>Foreign languages suggested to the students are</p> <ul style="list-style-type: none"> • Japanese • French • Germany <p>Mandatory courses included in semester V and VI are</p> <ul style="list-style-type: none"> • Indian Constitution • Essence of Indian traditional knowledge • Professional Ethics <p>The professional and open elective of R-2020 and R2019 is floated to the students through google form and the willingness is collected.</p>
Item:9	<p>Covid'19 affected candidate's practical exam (Industrial Measurement and Control) dated 08/1/2021 was postponed and conducted separately on 19/2/2021.</p>
Item:10	<p>Panel members (Annexure-V)</p> <p>Approved by BoS members and forwarded to Academic Council</p>
Item:11	<p>Approved by BoS members and forwarded to Academic Council</p>

The meeting was concluded at 1.00 PM with vote of thanks by **Dr.L.M.Varalakshmi**, Head of Department, Instrumentation and Control Engineering

Chairman-BoS /Dept. of ICE
(Dr. L.M. Varalakshmi)

Director cum Principal
(Dr. V. S. K. Venkatachalapathy)

Annexure– I

(1. Revised syllabus of “Electrical Technology Lab”)

U20ESP116	ELECTRICAL TECHNOLOGY LAB	L	T	P	C	Hrs
		0	0	2	1	30

Course Objectives

- To introduce practical knowledge on domestic wiring and analysis of electrical circuits.
- To provide the methods to test and evaluate the performance of electrical machines.
- To evaluate the open circuit and short circuit test on single phase transformer.
- To impart knowledge on speed control of DC shunts motor.
- To observe the performance of load test on single phase induction motor, three phase squirrel cage induction motor and single-phase alternator.

Course Outcomes

After successful completion of this course, the student will be able to

- CO1-** Acquire knowledge on wiring electrical circuits such as domestic, Go-Down wiring and Doctor's Wiring. **(K2)**
- CO2 -** Apply proper measurement techniques for the calculation of power and calibration of meters. **(K2)**
- CO3 -** Estimate the performance of DC and induction motor by conducting load and no-load tests. **(K3)**
- CO4 -** Acquire hands on experience of conducting various tests on induction machines and obtaining their performance indices using standard analytical as well as graphical methods. **(K3)**
- CO5 -**Acquire hands on experience of conducting various tests on alternators. **(K3)**

List of Experiments

(Any 10 Experiments)

1. Wiring circuits for
 - A. Calling bell
 - B. Staircase
 - C. Ceiling fan and fluorescent lamp wiring
2. Load test on single phase transformer
3. Load test on three phase transformer
4. Open circuit and short circuit test on single phase transformer
5. Load characteristics of dc shunt motor
6. Speed control of dc shunt motor.
7. Load characteristics of dc series motor
8. Open circuit characteristics of separately excited dc shunt generator
9. Load test on single phase Induction motor
10. Load test on three phase squirrel cage induction motor
11. Load test on single phase Alternator

(2. Revised syllabus of “Basic Electronics”)

U20EST113

BASIC ELECTRONICS

L	T	P	C	Hrs
3	0	0	3	45

Course Objectives

- To acquaint the students with semiconductor diodes.
- To familiarize the students with Bipolar Transistors.
- To acquaint the students with Field effect Transistors
- To impart knowledge on special semiconductor devices.
- To familiarize the student with the design and analysis of Rectifiers and power supplies.

Course Outcomes

After completion of the course, the students will be able to

CO1 - Understand the basic semiconductor diodes and its applications **(K2)**

CO2 - Gain knowledge about the working and characteristics of transistors. **(K2)**

CO3 - Understand small signal and large signal amplifiers **(K2)**

CO4 - Analyze the operation of feedback amplifiers and oscillators **(K4)**

CO5 - Analyze the special semiconductor devices **(K4)**

UNIT I SEMICONDUCTOR DEVICES

(9 Hrs)

Introduction. Intrinsic and Extrinsic semiconductor - charge density, Mobility and conductivity, Drift and diffusion current, Continuity equation, PN junction - Energy band diagram of PN junction, V-I characteristics, Current components in PN junction, Application of diode - Diode switch, Clipper, Clamper, Voltage Multiplier : Voltage doubler.

UNIT II BIPOLAR JUNCTION TRANSISTORS

(9 Hrs)

Operation of NPN and PNP transistor - Current components in a transistor, Characteristics of CE, CB, CC configuration - Switching characteristics - Biasing of BJT- Types of Biasing- Analysis and design. Bias stability. Thermal runaway. Temperature compensation. Applications

UNIT III FIELD EFFECT TRANSISTORS (FET)

(9 Hrs)

JFET- Construction, Operation and Characteristics, Expression for pinch off voltage and drain current - MOSFET- Enhancement and Depletion mode operation and characteristics- Biasing of FET- Comparison of BJT and FET. Applications

UNIT IV SPECIAL SEMICONDUCTOR DEVICES

(9 Hrs)

Zener Diode- V-I characteristics, SCR- UJT- DIAC- TRIAC - Varactor diode - PIN diode - Tunnel diode - Gunn diode - Principle of photo electronic devices - Solar cell, Photo diode - LED, LCD, LASER diode.

UNIT V RECTIFIERS AND POWER SUPPLIES

(9 Hrs)

Half Wave Rectifier - Full Wave Rectifier – Bridge Rectifier – Performance of Rectifiers – Filters – Types of Filters – L, C, LC, pi Filters – Regulators – Shunt and Series Voltage Regulator – IC Regulator – SMPS.

(3. Revised syllabus of “Basic Electronics Lab”)

U20ESP114	BASIC ELECTRONICS LAB	L	T	P	C	Hrs
		0	0	2	1	30

Course Objectives

- To give a basic introduction to electronic components
- To provide students knowledge about semiconductor diodes.
- To determine the V-I characteristics of transistor configurations.
- To determine the characteristics of thyristor circuits
- To explain the importance of transistors as switch

Course Outcomes

After completion of the course, the students will be able to

CO1 - Understand the basic circuit concepts. **(K2)**

CO2 - Analyze the functioning and characteristics of transistors.**(K3)**

CO3 - Demonstrate the understanding of special semiconductor diodes and its applications. **(K2)**

CO4 - Analyze the V-I characteristics of thyristors. **(K3)**

CO5 - Analyze the Switching characteristics of transistors. **(K3)**

List of Experiments

1. Study of circuit components and equipment (Component identification, Characteristics of Passive Circuit elements, Color coding, checking diode, BJT, FET, study of CRO, Function Generator, Multimeter, LCR meter).
2. Characteristics of Semiconductor diode
3. Characteristics of Zener diode
4. Characteristics of LED/ LDR.
5. Characteristics of CE configuration
6. Characteristics of CB configuration
7. Characteristics of FET
8. Characteristics of SCR.
9. Characteristics of TRIAC.
10. Simulation using PSpice / Multisim.

(4. Revised syllabus of “Materials Science”)

U20BST105	MATERIALS SCIENCE	L	T	P	C	Hrs
		3	0	0	3	45

Course Objectives

- To familiarize the concept of Dielectric Materials.
- To introduce about the various magnetic materials.
- To understand the concept of superconductors
- To understand the concept of Semiconductor materials and its applications
- To learn about the nuclear reactors and materials.

Course Outcomes

After completion of the course, the students will be able to

CO1- Understand the dielectric polarization

CO2 - Learn the basics of various magnetic materials with its properties for various applications

CO3 - Understand the concept of superconductors

CO4 - Learn the basic principles of semiconductors

CO5 - Understand the nuclear reactors and its materials

UNIT I DIELECTRIC MATERIALS

(9 Hrs)

Dielectric Polarization and its Mechanisms – Calculation of Polarizabilities (for electronic and ionic polarizations only) - Temperature dependence of polarization-Internal Field in solids - Clausius-Mossotti relation.– Elementary ideas of Piezo- Pyro- and Ferro-electric materials and Applications. NLO materials and piezoelectric actuators (introductory concepts).

UNIT II MAGNETIC MATERIALS AND SUPERCONDUCTORS

(9 Hrs)

Magnetic Materials: Origin of atomic magnetic moment – Bohr magneton-classification of magnetic materials (Dia,Para, Ferro, antiferro&Ferri) – Domain Theory of Hysteresis – Structure and Properties of Ferrites – Properties of Soft& Hard Magnetic Materials – Applications. Magnetic Hard Disk.Ferro-fluids and applications.

UNIT III SUPERCONDUCTORS

(9 Hrs)

Superconductors: Basic concepts – properties of superconductors –Meissner effect – Type I and II superconductors – BCS theory (qualitative) - High Temperature Superconductors– Qualitative ideas of Josephson effect, quantum interference and SQUID – their applications.

UNIT IV SEMICONDUCTORS

(9 Hrs)

Semiconductors –Concept of Fermi Distribution Function, Fermi Energy Level- Derivation of Carrier concentration in intrinsic Semiconductors –Basic ideas of Electrical conductivity in intrinsic and extrinsic semiconductors -temperature dependence of carrier concentration and electrical conductivity in semiconductors (qualitative ideas),Hall effect in Semiconductors -- Application of Hall Effect. Basic Ideas of Compound Semiconductors (II-VI & III-V).Photovoltaic Effect-Solar photovoltaic cells.

UNIT V NUCLEAR REACTORS & MATERIALS

(9 Hrs)

Mass Defect & Binding Energy of Nucleus - Disintegration in fission –Nuclear Reactors: BWR – FBR. Materials used in Nuclear Reactors; Materials for Moderator, coolant, reactor control elements

containment shell. Nuclear Fuelmaterials and Fuel processing - Fuel enrichment.Nuclear fusion reactions for fusion reactors-D-D and D-T reactions, Basic principles of Nuclear Fusion reactors

Annexure III

Vision and Mission, PEO's and PSO's

COLLEGE VISION AND MISSION

Vision

To be globally recognized for excellence in quality education, innovation, and research for the transformation of lives to serve the society.

Mission

M1: Quality Education: To provide comprehensive academic system that amalgamates the cutting edge technologies with best practices.

M2: Research and Innovation: To foster value- based research and innovation in collaboration with industries and Institutions globally for creating intellectuals with new avenues.

M3: Employability and Entrepreneurship: To inculcate the employability and entrepreneurial skills through value and skill based training.

M4: Ethical Values: To Instill deep sense of human values by blending societal righteousness with academic professionalism for the growth of society.

DEPARTMENT VISION AND MISSION

Vision

To provide quality education, training and research in the area of Instrumentation and Control Engineering to meet the industrial and societal needs with ethical values.

Mission

M1: Quality education: To impart technical knowledge, leadership and managerial skills to meet the current industrial and societal needs.

M2: Research and Innovation: To foster innovation, research and development for the benefit of global community.

M3: Employability and Entrepreneurship: To enhance the employability skills and inculcate entrepreneurial attitude.

M4: Ethical Values: To provide extension services to rural society and instill ethical values among the students.

PROGRAM EDUCATIONAL OBJECTIVES (PEOs)

PEO 1: Core Competency:

Solve real-life engineering problems, design and development of innovative and cost-effective products exhibiting a solid foundation in Instrumentation and Control Engineering fundamentals to cater needs of society.

PEO 2: State of the art technology:

To impart state of the art technology to the students in the field of Instrumentation and Control Engineering to meet the industrial needs.

PEO 3: Multi-disciplinary skills:

To develop Multi-disciplinary skills and acquire leadership qualities along with professional and ethical values.

PEO 4: Innovation and entrepreneurship:

To promote innovation and entrepreneurship in designing and developing instrumentation systems to address social and technical challenges.

PROGRAM SPECIFIC OUTCOMES (PSOs)

PSO1: Basic Knowledge in ICE:

Apply the knowledge of Instrumentation and Control Engineering to relate the fundamental concepts of Instrumentation (measurement, control, operation, monitoring and maintenance) to varied measurement systems and models.

PSO2: Advanced Tools for industrial automation:

Apply the knowledge of hardware and software tools for industrial automation systems

PSO3: Design and development of Instrumentation systems:

Ability to design and develop instrumentation systems to solve real time applications.

Annexure – IV

Academic Calendars (B.Tech –I, II, III and IV years)

Use of Cell Phones

It has been decided **not to permit cell phones inside the college campus**. If any student is found using the cell phone inside the college campus, it would be confiscated and will not be returned back on any circumstances. Hence the students are instructed not to attend the college with the mobile phones.

Dress Code

The students are requested to attend the college neatly dressed. While the male students should attend the college with the shirts neatly tucked in and with the shoes, the female students are permitted to come with churidar and dupatta properly pinned. Students wearing full hand shirts should wear it as such without folding it to half etc. Casual wears like jeans, T-shirts etc., both for boys and girls are strictly prohibited inside the campus. Each department has prescribed uniforms for the labs. The students are requested to strictly adhere to the dress codes as well as the rules and regulations of the college.

Maintenance of Discipline

Discipline is an important factor that shapes one's personality. It is considered as a golden key capable of opening many doors. This institution expects each and every student to follow the rules and regulations in total. Maintaining discipline in the campus will promote a conducive environment for studies.

Working hours

I hr	8.45	to	9.35
II hr	9.35	to	10.25
III hr	10.25	to	11.15
Break	11.15	to	11.30
IV hr	11.30	to	12.20
V hr	12.20	to	1.10
VI hr	1.50	to	2.40
VII hr	2.40	to	3.30
VIII hr	3.30	to	4.20

Lunch break 1.10 p.m. to 1.50 p.m.

SRI MANAKULA VINAYAGAR ENGINEERING COLLEGE

(An Autonomous Institution)

(Accredited by NBA-AICTE, New Delhi, NAAC with "A" Grade)

Madagadipet, Puducherry - 605 107

Academic Calendar

January 2021 to May 2021

Name :

Department :

Year / Sem : I year / I semester

நீங்கள்

அன்பு செய்யுங்கள், யாருக்கும் அடிமையாகாதீர்கள்;
இரக்கம் காட்டுங்கள், எவரிடத்தும் ஏமாந்துவிடாதீர்கள்;
பணியைப் போற்றுங்கள், எந்த நிலையிலும் கோழையாகாதீர்கள்;
கண்டிப்பாக இருங்கள், எப்போதும் கோபப்படாதீர்கள்;
சிக்கலாக வாழ்வுகள், கருமியாக மாறாதீர்கள்;
வீரமாக இருங்கள், போக்கிரிகளாக மாறாதீர்கள்;
சுறுசுறுப்பாக இருங்கள், பதட்டம் அடையாதீர்கள்;
வாருளைத் தேடுங்கள், பேராசைப் படாதீர்கள்;
உழைப்பை நம்புங்கள், உருப்படுவீர்கள்;
உண்மையை நம்புங்கள், உயர்வடைவீர்கள்!

என்றும் அன்புடன்,
ஆதித்யன்

About Autonomous

Sri Manakula Vinayagar Engineering College has been conferred with Autonomous Status by the University Grants Commission on 26th September 2019 and the same was approved by Pondicherry University on 19th June 2020. The Pondicherry University Regulations R2013 will be followed for the students admitted in the Academic Year 2017 -18 (present Final year) and for the students admitted in the Academic Year 2018 -19 (present Third year). SMVEC Autonomous Regulations R2019, will be followed for the students admitted in the Academic Year 2019-20(present Second Year). SMVEC Autonomous Regulations R2020, will be followed for the students admitted in the Academic Year 2020-21(present first Year)

HIGHLIGHTS OF SMVEC AUTONOMOUS REGULATIONS 2020

- ❖ Industry 4.0 ready curriculum
- ❖ Updated towards skill development to create more job opportunities
- ❖ Multidisciplinary curriculum
- ❖ More entrepreneurship opportunities
- ❖ IELTS model curriculum / Foreign Languages learning opportunities
- ❖ Department wise Gold Medals
- ❖ Results will be declared within a month after completion of examinations

❖ EEC / Mandatory course

The Institute has Established 17 Center of Excellence to provide 75 International Certification courses from IBM, Google, Cisco, E Plan, Microsoft, Autodesk, Texas instruments, Festo, Bentley, Schneider Electric, Amazon web services, Siemens, Tally, DELL EMC², Harita Techserv, PTC, LN an Excellence in Technology & Didactic solutions. All students should enroll in one of the certification course in every semester

❖ Industrial Training / Internship

Students may undergo training or internship during summer / winter vacation at Industry/ Research organization. students are also permitted to undergo internships during their eighth semester after the theory classes are over

வெற்றி என்பது, ஸ்சியத்தைப் படிப்படியாகப் புரிந்து கொள்வது - நைட்டிங்கேல்

❖ Supplementary Examinations

Supplementary examination is an additional examination conducted within a month of time after declaring the results of ESE. In order to complete the program within 4 years, only the student with maximum of two arrears will be permitted to appear for supplementary examination. The supplementary examination will be conducted in fifth and eighth semester only. For supplementary examination, the continuous assessment marks of the last attempt will be considered.

Benefits

- ❖ More number of students will receive the degree within the stipulated time
- ❖ The industries prefers to recruit students having nil arrears. If the supplementary examinations is conducted then more number of students will be eligible for the recruitment

Punctuality in Attendance

The students are requested to keep up punctuality in attending the college. The late comers will be losing their attendance and in turn the internal marks. Hence all the students are requested to attend the college in time. A student shall be permitted to appear for the End Semester Examination at the end of the semester only if he / she **secures not less than 75% of overall attendance.**

Repeating the Course

A student who secures overall attendance which is less than 60% has to repeat the course with the approval, when it is next offered.

Mentor - Mentee System

In the mentor - mentee system, 30 students are allotted to a tutor who will be taking care of these students. The students are requested to utilize the facility.

The internal marks will be provided fully based on the continuous assessment tests (CAT 1 to 4)

Marks Distribution of Continuous Assessment Marks (CAM) and End Semester Examination Marks (ESM)

Scheme for Continuous Assessment Test

S. No	Course Type	Continuous Assessment components									
		Test Marks	Average of marks for pre/post test/ viva for each experiment	Average of marks for marks for experiment report for each experiment	Model Exam / Report	Assignment	Review - 1	Review - 2	Review - 3	Attendance	Total Marks

உலகை வெல்வதற்கு, உலகை தெரிந்து கொள்வது முக்கியமல்ல, உன்னை அறிந்து கொள்வதுதான் முக்கியம் . . .			

Distribution of Attendance marks for theory : 5 marks

The distribution of 5 marks for theory class attendance is as follows :

5 marks for 95% attendance and above

4 marks for 90% attendance and above but below 95%

3 marks for 85% attendance and above but below 90%

2 marks for 80% attendance and above but below 85%

1 mark for 75% attendance and above but below 80%

Distribution of Attendance marks for practical : 10 marks

The distribution of 10 marks for practical class attendance is as follows :

10 marks for 95% attendance and above

8 marks for 90% attendance and above but below 95%

6 marks for 85% attendance and above but below 90%

4 marks for 80% attendance and above but below 85%

2 marks for 75% attendance and above but below 80%

Assignments

Out of 25 continuous assessment marks, 5 Marks will be awarded for the assignment. The students have to submit 3 assignments in each subject. The assignment questions will be different for each and every student.

Note :

Continuous assessment mark will be based on the performance of the students in the continuous assessment test. Assignment and attendance percentage.

Importance of Continuous Assessment marks

The continuous assessment marks once earned are carried over to the subsequent exams also. Hence the students are requested to work hard to get the maximum of the continuous assessment marks. If the continuous assessment marks are lower, it will pull down chances of getting the first class, distinction, gold medals and ranks.

Importance of CAT-I/CAT-II/CAT-III/CAT-IV

Continuous assessment marks are awarded for the performance in the CAT-I, CAT-II, CAT-III & CAT-IV. Hence all the students are requested to prepare well for each test / examination to earn the maximum continuous assessment marks.

Undertaking Minor / Major Projects

Each student is advised to take atleast one minor project. Involving in the project will be helping to understand the basics of the subject. Some of the minor / major project will also be benefiting the society. Moreover, the Management awards cash prizes for the best projects in each department.

All the students are encouraged to participate in the curricular / co-curricular / extra curricular activities. Involvement in these activities will improve their knowledge level in the subject. If a student or a team gets cash prize / award at the technical event organised by the recognised institutions, then the management of this institution will also sanction an amount equivalent to the award / cash prize as a token of appreciation.

Leave Account Record

For each student, leave account record has been provided. The students are instructed to show the leave record to their parents and strictly adhere to the instructions given for availing the leave. The leave account record should be maintained properly and prior approval must be obtained for availing the leave. In exceptional cases, the students are permitted to get the approval after availing the leave.

Transport Facility

56 buses have been arranged for the students to reach the college from Puducherry, Kanagachettikulam, Villupuram, Neyveli, Panruti, Cuddalore, Nellikuppam, Madukarai and Tindivanam covering almost all the areas. Separate transport facility has been arranged for the students who remain in the college after 5 p.m. for utilising computer lab, library and sports facilities. The students are requested to utilise the transport facility.

All the students are requested to avoid mobile phones and travel by two wheelers considering their safety and security.

Important points for the kind attention of the Parents

Dear Parent

The I semester classes commence on 27th January 2021. The above mentioned semester is a very short term, including working days meant for CAT-IV (Model). The students have to complete a lot of work within a short period. **Hence the parents are kindly requested not to permit their wards to avail frequent leave during this semester period for the following reasons.**

It is compulsory for all the students to complete Six Certificate Courses, Nine Skill Development Courses and Seven Mandatory Courses along with their Academic Courses. These courses will enhance the students to upgrade their required skills to cope up with the Industry.

Marks in the **continuous assessment test** decide the major part of the continuous assessment marks. So, availing leave for the continuous assessment test must be avoided at any cost as this would seriously affect the assessment marks.

Practicals are very important not only to score more marks but also it will help to understand the theory part of the subject, hence advice your ward not to cut the practical classes.

Please spare your **valuable time to talk to your son/daughter every day and try to understand what he/she is doing in respect of his/her studies.** Kindly extend all your support to your son/daughter which will help them to come out successfully. For any assistance from our side you may always feel free to contact the respective Coordinator / HOD any time during the working hours.

Use of Cell Phones

It has been decided **not to permit cell phones inside the college campus**. If any student is found using the cell phone inside the college campus, it would be confiscated and will not be returned back on any circumstances. Hence the students are instructed not to attend the college with the mobile phones.

Dress Code

The students are requested to attend the college neatly dressed. While the male students should attend the college with the shirts neatly tucked in and with the shoes, the female students are permitted to come with churidar and dupatta properly pinned. Students wearing full hand shirts should wear it as such without folding it to half etc. Casual wears like jeans, T-shirts etc., both for boys and girls are strictly prohibited inside the campus. Each department has prescribed uniforms for the labs. The students are requested to strictly adhere to the dress codes as well as the rules and regulations of the college.

Maintenance of Discipline

Discipline is an important factor that shapes one's personality. It is considered as a golden key capable of opening many doors. This institution expects each and every student to follow the rules and regulations in total. Maintaining discipline in the campus will promote a conducive environment for studies.

Working hours

I hr	9.00	to	9.50
II hr	9.50	to	10.40
Break	10.40	to	10.55
III hr	10.55	to	11.45
IV hr	11.45	to	12.35
V hr	1.15	to	2.05
VI hr	2.05	to	2.55
Break	2.55	to	3.10
VII	3.10	to	4.00
VIII	4.00	to	4.50

Lunch break 12.35 p.m. to 1.15 p.m.

SRI MANAKULA VINAYAGAR ENGINEERING COLLEGE

(An Autonomous Institution)

(Accredited by NBA-AICTE, New Delhi, NAAC with "A" Grade)

Madagadipet, Puducherry - 605 107

Academic Calendar

March 2021 to July 2021

Name :

Department :

Year / Sem : II Year / IV semester

நீங்கள்

அன்பு செய்யுங்கள், யாருக்கும் அடிமையாகாதீர்கள்;
இரக்கம் காட்டுங்கள், எவரிடத்தும் ஏமாந்துவிடாதீர்கள்;
பணியைப் போற்றுங்கள், எந்த நிலையிலும் கோழையாகாதீர்கள்;
கண்டிப்பாக இருங்கள், எப்போதும் கோபப்படாதீர்கள்;
சிக்கனமாக வாழுங்கள், கருமியாக மாறாதீர்கள்;
வீரமாக இருங்கள், போக்கிரிகளாக மாறாதீர்கள்;
சுறுசுறுப்பாக இருங்கள், பதட்டம் அடையாதீர்கள்;
வொருளைத் தேடுங்கள், பேராசைப் படாதீர்கள்;
உழைப்பை நம்புங்கள், உருப்படுவீர்கள்;
உண்மையை நம்புங்கள், உயர்வடைவீர்கள்!

என்றும் அன்புடன்,
ஆதித்யன்

About Autonomous

Sri Manakula Vinayagar Engineering College has been conferred with Autonomous Status by the University Grants Commission on 26th September 2019 and the same was approved by Pondicherry University on 19th June 2020. The Pondicherry University Regulations R2013 will be followed for the students admitted in the Academic Year 2017 -18 (present Final year) and for the students admitted in the Academic Year 2018 -19 (present Third year). SMVEC Autonomous Regulations R2019, will be followed for the students admitted in the Academic Year 2019-20(present Second Year). SMVEC Autonomous Regulations R2020, will be followed for the students admitted in the Academic Year 2020-21(present first Year)

HIGHLIGHTS OF SMVEC AUTONOMOUS REGULATIONS 2020

- ❖ Industry 4.0 ready curriculum
- ❖ Updated towards skill development to create more job opportunities
- ❖ Multidisciplinary curriculum
- ❖ More entrepreneurship opportunities
- ❖ IELTS model curriculum / Foreign Languages learning opportunities
- ❖ Department wise Gold Medals
- ❖ Results will be declared within a month after completion of examinations

❖ EEC / Mandatory course

The Institute has Established 17 Center of Excellence to provide 75 International Certification courses from IBM, Google, Cisco, E Plan, Microsoft, Autodesk, Texas instruments, Festo, Bentley, Schneider Electric, Amazon web services, Siemens, Tally, DELL EMC², Harita Techserv, PTC, LN an Excellence in Technology & Didactic solutions. All students should enroll in one of the certification course in every semester

❖ Industrial Training / Internship

Students may undergo training or internship during summer / winter vacation at Industry/ Research organization. students are also permitted to undergo internships during their eighth semester after the theory classes are over

அன்றாட வாழ்வின் சாதாரண விஷயங்களையும், அசாதாரண முறையில் செய்யும்போது உலகின் கவனத்தை உன் மீது திருப்ப முடியும். - ஜார்ஜ்வாஷிங்டன்கார்வெர்

❖ Supplementary Examinations

Supplementary examination is an additional examination conducted within a month of time after declaring the results of ESE. In order to complete the program within 4 years, only the student with maximum of two arrears will be permitted to appear for supplementary examination. The supplementary examination will be conducted in fifth and eighth semester only. For supplementary examination, the continuous assessment marks of the last attempt will be considered.

Benefits

- ❖ More number of students will receive the degree within the stipulated time
- ❖ The industries prefers to recruit students having nil arrears. If the supplementary examinations is conducted then more number of students will be eligible for the recruitment

Punctuality in Attendance

The students are requested to keep up punctuality in attending the college. The late comers will be losing their attendance and in turn the internal marks. Hence all the students are requested to attend the college in time. A student shall be permitted to appear for the End Semester Examination at the end of the semester only if he / she **secures not less than 75% of overall attendance.**

Repeating the Course

A student who secures overall attendance which is less than 60% has to repeat the semester with the approval, when it is next offered.

Mentor - Mentee System

In the mentor - mentee system, 30 students are allotted to a tutor who will be taking care of these students. The students are requested to utilize the facility.

The internal marks will be provided fully based on the continuous assessment tests (CAT 1 to 3 & Model Exam)

Marks Distribution of Continuous Assessment Marks (CAM) and End Semester Examination Marks (ESM)

Scheme for Continuous Assessment Test

S. No	Course Type	Continuous Assessment components									
		Test Marks	Average of marks for pre/post test/ viva for each experiment	Average of marks for experiment report for each experiment	Model Exam / Report	Assignment	Review - 1	Review - 2	Review - 3	Attendance	Total Marks
1.	Theory	15	-	-	-	5	-	-	-	5	25

வெற்றி என்பது, ஸ்சியத்தைப் படிப்படியாகப் புரிந்து கொள்வது - ஐந்தாம்நிலை

Distribution of Attendance marks for theory : 5 marks

The distribution of 5 marks for theory class attendance is as follows :

5 marks for 95% attendance and above

4 marks for 90% attendance and above but below 95%

3 marks for 85% attendance and above but below 90%

2 marks for 80% attendance and above but below 85%

1 mark for 75% attendance and above but below 80%

Distribution of Attendance marks for practical : 10 marks

The distribution of 10 marks for practical class attendance is as follows :

10 marks for 95% attendance and above

8 marks for 90% attendance and above but below 95%

6 marks for 85% attendance and above but below 90%

4 marks for 80% attendance and above but below 85%

2 marks for 75% attendance and above but below 80%

Continuous Assessment Marks

Continuous assessment mark will be based on the performance of the students in the continuous assessment test, Assignment and attendance percentage.

Importance of Continuous Assessment marks

The continuous assessment marks once earned are carried over to the subsequent exams also. Hence the students are requested to work hard to get the maximum of the continuous assessment marks. If the continuous assessment marks are lower, it will pull down chances of getting the first class, distinction, gold medals and ranks.

Importance of CAT-I/CAT-II/CAT-III/Model Exam

Continuous assessment marks are awarded for the performance in the CAT-I, CAT-II, CAT-III & Model exam. Hence all the students are requested to prepare well for each test / examination to earn the maximum continuous assessment marks.

Participation in the Curricular/Co-curricular / Extra curricular Activities

All the students are encouraged to participate in the curricular / co-curricular / extra curricular activities. Involvement in these activities will improve their knowledge level in the subject. If a student or a team gets cash prize / award at the technical event organised by the recognised institutions, then the management of this institution will also sanction an amount equivalent to the award / cash prize as a token of appreciation.

Leave Account Record

For each student, leave account record has been provided. The students are instructed to show the leave record to their parents and strictly adhere to the instructions given for availing the leave. The leave account record should be maintained properly and prior approval must be obtained for availing the leave. In exceptional cases, the students are permitted to get the approval after availing the leave.

Transport Facility

56 buses have been arranged for the students to reach the college from Puducherry, Kanagachettikulam, Villupuram, Neyveli, Panruti, Cuddalore, Nellikuppam, Madukarai and Tindivanam covering almost all the areas. Separate transport facility has been arranged for the students who remain in the college after 5 p.m. for utilising computer lab, library and sports facilities. The students are requested to utilise the transport facility.

All the students are requested to avoid mobile phones and travel by two wheelers considering their safety and security.

Important points for the kind attention of the Parents

Dear Parent

The IV semester classes commence on 15th March 2021. The above mentioned semester is a very short term, including working days meant for CAT-IV. The students have to complete a lot of work within a short period. **Hence the parents are kindly requested not to permit their wards to avail frequent leave during this semester period for the following reasons.**

IV Semester (II Year): All the IV semester papers are considered as problematic (toughest) papers. Hence, regular attendance and more concentration are required to clear these IV semester papers.

Marks in the **continuous assessment test** decide the major part of the continuous assessment marks. So, availing leave for the continuous assessment test must be avoided at any cost as this would seriously affect the assessment marks.

Practicals are very important not only to score more marks but also it will help to understand the theory part of the subject, hence advice your ward not to cut the practical classes.

Please spare your **valuable time to talk to your son/daughter every day and try to understand what he/she is doing in respect of his/her studies.** Kindly extend all your support to your son/daughter which will help them to come out successfully. For any assistance from our side you may always feel free to contact the respective Coordinator / HOD any time during the working hours.

Use of Cell Phones

It has been decided **not to permit cell phones inside the college campus**. If any student is found using the cell phone inside the college campus, it would be confiscated and will not be returned back on any circumstances. Hence the students are instructed not to attend the college with the mobile phones.

Dress Code

The students are requested to attend the college neatly dressed. While the male students should attend the college with the shirts neatly tucked in and with the shoes, the female students are permitted to come with churidar and dupatta properly pinned. Students wearing full hand shirts should wear it as such without folding it to half etc. Casual wears like jeans, T-shirts etc., both for boys and girls are strictly prohibited inside the campus. Each department has prescribed uniforms for the labs. The students are requested to strictly adhere to the dress codes as well as the rules and regulations of the college.

Maintenance of Discipline

Discipline is an important factor that shapes one's personality. It is considered as a golden key capable of opening many doors. This institution expects each and every student to follow the rules and regulations in total. Maintaining discipline in the campus will promote a conducive environment for studies.

Working hours

I hr	9.00	to	9.50
II hr	9.50	to	10.40
Break	10.40	to	10.55
III hr	10.55	to	11.45
IV hr	11.45	to	12.35
V hr	1.15	to	2.05
VI hr	2.05	to	2.55
Break	2.55	to	3.10
VII	3.10	to	4.00
VIII	4.00	to	4.50

Lunch break 12.35 p.m. to 1.15 p.m.

About Autonomous

Sri Manakula Vinayagar Engineering College has been conferred with Autonomous Status by the University Grants Commission on 26th September 2019 and the same was approved by Pondicherry University on 19th June 2020. The Pondicherry University Regulations R2013 will be followed for the students admitted in the Academic Year 2017 -18 (present Final year) and for the students admitted in the Academic Year 2018 -19 (present Third year). SMVEC Autonomous Regulations R2019, will be followed for the students admitted in the Academic Year 2019-20(present Second Year). SMVEC Autonomous Regulations R2020, will be followed for the students admitted in the Academic Year 2020-21(present first Year)

HIGHLIGHTS OF SMVEC AUTONOMOUS REGULATIONS 2020

- ❖ Industry 4.0 ready curriculum
- ❖ Updated towards skill development to create more job opportunities
- ❖ Multidisciplinary curriculum
- ❖ More entrepreneurship opportunities
- ❖ IELTS model curriculum / Foreign Languages learning opportunities
- ❖ Department wise Gold Medals
- ❖ Results will be declared within a month after completion of examinations

❖ EEC / Mandatory course

The Institute has Established 17 Center of Excellence to provide 75 International Certification courses from IBM, Google, Cisco, E Plan, Microsoft, Autodesk, Texas instruments, Festo, Bentley, Schneider Electric, Amazon web services, Siemens, Tally, DELL EMC², Harita Techserv, PTC, LN an Excellence in Technology & Didactic solutions. All students should enroll in one of the certification course in every semester

❖ Industrial Training / Internship

Students may undergo training or internship during summer / winter vacation at Industry/ Research organization. students are also permitted to undergo internships during their eighth semester after the theory classes are over

அன்றாட வாழ்வின் சாதாரண விஷயங்களையும், அசாதாரண முறையில் செய்யும்போது உலகின் கவனத்தை உன் மீது திருப்ப முடியும். - ஜார்ஜ்வாஷிங்டன்கார்வெர்

❖ Supplementary Examinations

Supplementary examination is an additional examination conducted within a month of time after declaring the results of ESE. In order to complete the program within 4 years, only the student with maximum of two arrears will be permitted to appear for supplementary examination. The supplementary examination will be conducted in fifth and eighth semester only. For supplementary examination, the continuous assessment marks of the last attempt will be considered.

Benefits

- ❖ More number of students will receive the degree within the stipulated time
- ❖ The industries prefers to recruit students having nil arrears. If the supplementary examinations is conducted then more number of students will be eligible for the recruitment

Punctuality in Attendance

The students are requested to keep up punctuality in attending the college. The late comers will be losing their attendance and in turn the internal marks. Hence all the students are requested to attend the college in time. A student shall be permitted to appear for the End Semester Examination at the end of the semester only if he / she **secures not less than 75% of overall attendance.**

Repeating the Course

A student who secures overall attendance which is less than 60% has to repeat the semester with the approval, when it is next offered.

Mentor - Mentee

In the mentor - mentee system, 30 students are allotted to a tutor who will be taking care of these students. The students are requested to utilize the facility.

June 2021

The internal marks will be provided fully based on the continuous assessment tests (CAT 1 to 3 & Model Exam)

Marks Distribution of Continuous Assessment Marks (CAM) and End Semester Examination Marks (ESM)

வெற்றி என்பது, ஸ்சியத்தைப் படிப்படியாகப் புரிந்து கொள்வது - தைட்டிங்கேல்

Distribution of Attendance marks for theory : 5 marks

The distribution of 5 marks for theory class attendance is as follows :

5 marks for 95% attendance and above

4 marks for 90% attendance and above but below 95%

3 marks for 85% attendance and above but below 90%

2 marks for 80% attendance and above but below 85%

1 mark for 75% attendance and above but below 80%

Distribution of Attendance marks for practical : 10 marks

The distribution of 10 marks for practical class attendance is as follows :

10 marks for 95% attendance and above

8 marks for 90% attendance and above but below 95%

6 marks for 85% attendance and above but below 90%

4 marks for 80% attendance and above but below 85%

2 marks for 75% attendance and above but below 80%

Continuous Assessment Mark

Continuous assessment mark will be based on the performance of the students in the continuous assessment test. Assignment and attendance percentage.

Importance of Continuous Assessment marks

The continuous assessment marks once earned are carried over to the subsequent exams also. Hence the students are requested to work hard to get the maximum of the continuous assessment marks. If the continuous assessment marks are lower, it will pull down chances of getting the first class, distinction, gold medals and ranks.

Importance of CAT-I/CAT-II/CAT-III/ Model Exam

Continuous assessment marks are awarded for the performance in the CAT-I, CAT-II, CAT-III & Model exam. Hence all the students are requested to prepare well for each test / examination to earn the maximum continuous assessment marks.

Undertaking Minor / Major Projects

Each student is advised to take atleast one minor project. Involving in the project will be helping to understand the basics of the subject. Some of the minor / major project will also be benefiting the society. Moreover, the Management awards cash prizes for the best projects in each department.

Participation in the Curricular / Co-curricular / Extra curricular Activities

All the students are encouraged to participate in the curricular / co-curricular / extra curricular activities. Involvement in these activities will improve their knowledge level in the subject. If a student or a team gets cash prize / award at the technical event organised by the recognised institutions, then the management of this institution will also sanction an amount equivalent to the award / cash prize as a token of appreciation.

Leave Account Record

For each student, leave account record has been provided. The students are instructed to show the leave record to their parents and strictly adhere to the instructions given for availing the leave. The leave account record should be maintained properly and prior approval must be obtained for availing the leave. In exceptional cases, the students are permitted to get the approval after availing the leave.

Transport Facility

56 buses have been arranged for the students to reach the college from Puducherry, Kanagachettikulam, Villupuram, Neyveli, Panruti, Cuddalore, Nellikuppam, Madukarai and Tindivanam covering almost all the areas. Separate transport facility has been arranged for the students who remain in the college after 5 p.m. for utilising computer lab, library and sports facilities. The students are requested to utilise the transport facility.

All the students are requested to avoid mobile phones and travel by two wheelers considering their safety and security.

Placement and Training Division

The placement cell functions round the clock throughout the year to establish contact with reputed multinational companies, well established industrial organizations and plays an important role in locating various job opportunities and placing large number of the students every year at these organizations.

Activities of the Training Division

- ☆ Arranges trainings for personality and interpersonal skill development.
- ☆ Assists the students to get in-plant training
- ☆ Arranges industrial visits
- ☆ Creates awareness on the opportunities open for higher studies.
- ☆ Arranges coaching classes for GATE, GRE, TOFEL, IELTS, IAS, IES etc.

Placement Record

Academic Year	Students Placed
2012-13	75%
2013-14	85%
2014-15	95%
2015-16	95%
2016-17	93%
2017-18	95%
2018-19	95%
2019-20	95%

Wi-Fi Campus

* till 31st January 2021

Our campus has been enabled by high speed uninterrupted Wi-Fi connectivity. The Computer Centre is open till 8.00 p.m. on all the working days except on the dates of University examinations.

Library Working Hours

8.30 a.m. to 8.30 p.m. (On all the working days)
8.30 a.m. to 10.00 p.m. (During the examination days)

Women Cell

For the benefit of the girl students, a Women Cell has been constituted in the college. The girl students may approach the Chairperson / members for assistance.

Grievance Redressal Cell

There is a Grievance Redressal Cell under the Chairmanship of the Director of the institution. Students are requested to approach the Chairman / members to redress their grievances. Mail ID : grievance@smvec.ac.in

Gold Medals and Top Ten Ranks

Your seniors were sincere, hard working and got the Gold medals of the Pondicherry University and the top ten ranks in all the branches. The details of the University Goldmedals and Top Ten Ranks won by the students are given below.

 Indicates the Gold medal and University First Rank.

The Management awards 3 sovereigns of gold to the 1st rank holder, 2 sovereigns to the 2nd rank holder, 1 sovereign to the 3rd rank holder, 4th and 5th rank holders shall receive a cash award of Rs. 10,000/- (Rupees ten thousand) each and 6th to 10th rank holders shall receive a cash award of Rs. 5,000/- (Rupees five thousand) each.

Important points for the kind attention of the Parents

Dear Parent

The VI semester classes commence on 15th March 2021. The above mentioned semester is a very short term, including working days meant for CAT-IV. The students have to complete a lot of work within a short period. **Hence the parents are kindly requested not to permit their wards to avail frequent leave during this semester period for the following reasons.**

VI Semester (III year): More number of training programs are proposed to be offered to enable the students to face the **campus interviews with confidence**. Attending these training programs is most important for **getting campus placement**. Apart from attending these trainings, **the students have to devote their time and energy to prepare for the End Semester Examinations during this semester.**

Marks in the **continuous assessment test** decide the major part of the continuous assessment marks. So, availing leave for the continuous assessment test must be avoided at any cost as this would seriously affect the assessment marks.

Practicals are very important not only to score more marks but also it will help to understand the theory part of the subject, hence advice your ward not to cut the practical classes.

Please spare your **valuable time to talk to your son/daughter every day and try to understand what he/she is doing in respect of his/her studies**. Kindly extend all your support to your son/daughter which will help them to come out successfully. For any assistance from our side you may always feel free to contact the respective Coordinator / HOD any time during the working hours.

Use of Cell Phones

It has been decided **not to permit cell phones inside the college campus**. If any student is found using the cell phone inside the college campus, it would be confiscated and will not be returned back on any circumstances. Hence the students are instructed not to attend the college with the mobile phones.

Dress Code

The students are requested to attend the college neatly dressed. While the male students should attend the college with the shirts neatly tucked in and with the shoes, the female students are permitted to come with churidar and dupatta properly pinned. Students wearing full hand shirts should wear it as such without folding it to half etc. Casual wears like jeans, T-shirts etc., both for boys and girls are strictly prohibited inside the campus. Each department has prescribed uniforms for the labs. The students are requested to strictly adhere to the dress codes as well as the rules and regulations of the college.

Maintenance of Discipline

Discipline is an important factor that shapes one's personality. It is considered as a golden key capable of opening many doors. This institution expects each and every student to follow the rules and regulations in total. Maintaining discipline in the campus will promote a conducive environment for studies.

❖ Ethnotech / Mandatory course

The Institute has Established 17 Center of Excellence to provide 75 International Certification courses from IBM, Google, Cisco, E Plan, Microsoft, Autodesk, Texas instruments, Festo, Bentley, Schneider Electric, Amazon web services, Siemens, Tally, DELL EMC², Harita Techserv, PTC, LN an Excellence in Technology & Didactic solutions. All students should enroll in one of the certification course in every semester

❖ Industrial Training / Internship

Students may undergo training or internship during summer / winter vacation at Industry/ Research organization. students are also permitted to undergo internships during their eighth semester after the theory classes are over

❖ **Supplementary Examinations**

Supplementary examination is an additional examination conducted within a month of time after declaring the results of ESE. In order to complete the program within 4 years, only the student with maximum of two arrears will be permitted to appear for supplementary examination. The supplementary examination will be conducted in fifth and eighth semester only. For supplementary examination, the continuous assessment marks of the last attempt will be considered.

Benefits

- ❖ More number of students will receive the degree within the stipulated time
- ❖ The industries prefers to recruit students having nil arrears. If the supplementary examinations is conducted then more number of students will be eligible for the recruitment

❖ **Photo copy of answer book**

After the publication of the result, photocopy of the answer books shall be provided to the student on request with stipulated fee fixed by the College from time to time

Punctuality in Attendance

The students are requested to keep up punctuality in attending the college. The late comers will be losing their attendance and in turn the internal marks. Hence all the students are requested to attend the college in time. A student shall be permitted to appear for the End Semester Examination at the end of the semester only if he / she **secures not less than 75% of overall attendance.**

Repeating the Course

A student who secures overall attendance which is less than 60% has to repeat the course with the approval, when it is next offered.

Mentor - Mentee System

In the mentor - mentee system, 30 students are allotted to a tutor who will be taking care of these students. The students are requested to utilize the facility.

The internal marks will be provided fully based on the continuous assessment tests (CAT 1 to 4)

Marks Distribution of Continuous Assessment Marks (CAM) and End Semester Examination Marks (ESM)

Scheme for Continuous Assessment Test

S. No	Course Type	Continuous Assessment components					
		Test Marks	Periodic practical works & record submitted	Internal practical examination	Viva voce	Attendance	Total Marks
1.	Theory	20	-			5	25
2.	Practical	-	20	15	5	10	50

Question Paper Pattern

Question paper pattern for CAT and ESE will be based on the patterns shown in Table (a) and (b)

Table (a) Question Paper patterns for CAT

Test Type	2 Marks	10 Marks	Total Marks
CAT 1 to 3	10	3 (out of 4 questions)	50
CAT 4	End semester Examination Question Pattern		75

Table (b) Question paper patterns for End Semester Examination (ESE)

2 Marks	11 Marks	Total Marks
10	5 (either or type)	75

அன்றாட வாழ்வின் சாதாரண விஷயங்களையும், அசாதாரண முறையில் செய்யும்போது உலகின் கவனத்தை உன் மீது திருப்ப முடியும். - ஜார்ஜ்வாஷிங்டன்கார்வெர்

Distribution of Attendance marks for theory : 5 marks

The distribution of 5 marks for theory class attendance is as follows :

5 marks for 95% attendance and above

4 marks for 90% attendance and above but below 95%

3 marks for 85% attendance and above but below 90%

2 marks for 80% attendance and above but below 85%

1 mark for 75% attendance and above but below 80%

Distribution of Attendance marks for practical : 10 marks

The distribution of 10 marks for practical class attendance is as follows :

10 marks for 95% attendance and above

8 marks for 90% attendance and above but below 95%

6 marks for 85% attendance and above but below 90%

4 marks for 80% attendance and above but below 85%

2 marks for 75% attendance and above but below 80%

Note :

Continuous assessment mark will be based on the performance of the students in the continuous assessment test and attendance percentage.

Importance of Continuous Assessment marks

The continuous assessment marks once earned are carried over to the subsequent exams also. Hence the students are requested to work hard to get the maximum of the continuous assessment marks. If the continuous assessment marks are lower, it will pull down chances of getting the first class, distinction, gold medals and ranks.

Importance of CAT-I/CAT-II/CAT-III/CAT-IV

Continuous assessment marks are awarded for the performance in the CAT-I, CAT-II, CAT-III & CAT-IV (Model exam). Hence all the students are requested to prepare well for each test / examination to earn the maximum continuous assessment marks.

Undertaking Minor / Major Projects

Each student is advised to take atleast one minor project. Involving in the project will be helping to understand the basics of the subject. Some of the minor / major project will also be benefiting the society. Moreover, the Management awards cash prizes for the best projects in each department.

All the students are encouraged to participate in the curricular / co-curricular / extra curricular activities. Involvement in these activities will improve their knowledge level in the subject. If a student or a team gets cash prize / award at the technical event organised by the recognised institutions, then the management of this institution will also sanction an amount equivalent to the award / cash prize as a token of appreciation.

Leave Account Record

For each student, leave account record has been provided. The students are instructed to show the leave record to their parents and strictly adhere to the instructions given for availing the leave. The leave account record should be maintained properly and prior approval must be obtained for availing the leave. In exceptional cases, the students are permitted to get the approval after availing the leave.

Transport Facility

56 buses have been arranged for the students to reach the college from Puducherry, Kanagachettikulam, Villupuram, Neyveli, Panruti, Cuddalore, Nellikuppam, Madukarai and Tindivanam covering almost all the areas. Separate transport facility has been arranged for the students who remain in the college after 5 p.m. for utilising computer lab, library and sports facilities. The students are requested to utilise the transport facility.

All the students are requested to avoid mobile phones and travel by two wheelers considering their safety and security.

Placement and Training Division

The placement cell functions round the clock throughout the year to establish contact with reputed multinational companies, well established industrial organizations and plays an important role in locating various job opportunities and placing large number of the students every year at these organizations.

Activities of the Training Division

- ☆ Arranges trainings for personality and interpersonal skill development.
- ☆ Assists the students to get in-plant training
- ☆ Arranges industrial visits
- ☆ Creates awareness on the opportunities open for higher studies.
- ☆ Arranges coaching classes for GATE, GRE, TOFEL, IELTS, IAS, IES etc.

Placement Record

Academic Year	Students Placed
2012-13	75%
2013-14	85%
2014-15	95%

Wi-Fi Campus

* till 31st January 2021

Our campus has been enabled by high speed uninterrupted Wi-Fi connectivity. The Computer Centre is open till 8.00 p.m. on all the working days except on the dates of University examinations.

Library Working Hours

8.30 a.m. to 8.30 p.m. (On all the working days)
8.30 a.m. to 10.00 p.m. (During the examination days)

Women Cell

For the benefit of the girl students, a Women Cell has been constituted in the college. The girl students may approach the Chairperson / members for assistance.

Grievance Redressal Cell

There is a Grievance Redressal Cell under the Chairmanship of the Director of the institution. Students are requested to approach the Chairman / members to redress their grievances. Mail ID : grievance@smvec.ac.in

Gold Medals and Top Ten Ranks

Your seniors were sincere, hard working and got the Gold medals of the Pondicherry University and the top ten ranks in all the branches. The details of the University Goldmedals and Top Ten Ranks won by the students are given below.

 Indicates the Gold medal and University First Rank.

The Management awards 3 sovereigns of gold to the 1st rank holder, 2 sovereigns to the 2nd rank holder, 1 sovereign to the 3rd rank holder, 4th and 5th rank holders shall receive a cash award of Rs. 10,000/- (Rupees ten thousand) each and 6th to 10th rank holders shall receive a cash award of Rs. 5,000/- (Rupees five thousand) each.

Important points for the kind attention of the Parents

Dear Parent

The VIII semester classes commence on 15th February 2021. The above mentioned semester is a very short term, including working days meant for CAT-IV (Model exam). The students have to complete a lot of work within a short period. **Hence the parents are kindly requested not to permit their wards to avail frequent leave during this semester period for the following reasons.**

VIII Semester (IV year): The students have to complete their **Major Project in time.** Besides, they have to prepare for the End Semester theory examinations also. Hence, all the students are expected to devote their time to attend to the above work. **The students selected at the campus interview will be permitted to join by authorities of the companies, only if they qualify for the degree.**

Practicals are very important not only to score more marks but also it will help to understand the theory part of the subject, hence advice your ward not to cut the practical classes.

Please spare your **valuable time to talk to your son/daughter every day and try to understand what he/she is doing in respect of his/her studies.** Kindly extend all your support to your son/daughter which will help them to come out successfully. For any assistance from our side you may always feel free to contact the respective Coordinator / HOD any time during the working hours.
