- He explained the decision made regarding R&D and Consultancy activities in SMVEC. Each department has divisions of specialization. Each specialization team should register 1 patent per semester, two research papers are to be published in SCI/SCOPUS indexed journals in a semester, two project proposal of any scheme are to be applied for a research grant, Consultancy project work of worth of Rs 3.0 lakhs is to be initiated. Faculties should attend at least one International or National conference in one semester.
- Additionally, faculties are expected to communicate two journal papers per semester in the renowned journal with SCI / SCOPUS indexed, Out of two any one or both to be Blind Peer reviewed journal.
- M.Tech projects or B.Tech project best papers or works can be converted to journal or conference paper. All M.Tech / B.Tech project supervisors should insist their student to participate in a conference and to publish a paper. For the academic year 2020-21, it is decided that 300 publications will be submitted including 100-SCI, 160-SCOPUS indexed journals respectively. It is planned to get 123.00 lakhs funding through 83 Project Proposals which is to be submitted to different funding agencies.

- He added a point that, 10 Lakhs is allotted as seed fund for a new innovative idea by SMVEC management. He detailed about the funds received from AICTE during 2019-2020. A grant of Rs.11 Lakhs is sanctioned by AICTE for **MODROB** titled “Modernization of Power Electronics Laboratory” for EEE dept. A grant of Rs. 24,89,000 is sanctioned by AICTE for **Skill and Personality Development(SPDC) program for SC/ST(STPC)** students. A grant of Rs. 15,00,000 is sanctioned by AICTE under **Margdarshan scheme** to improve the quality parameters of Mentee Institutes.
- Dr.K. Velmurugan,Head/Mech, Hostel and Sports, Coordinator explained about Hostel and Sports facilities and Hostel up gradation work which is under process.

15.18 Ranking Process

- Dr. P. Raja, Head/ECE, Ranking process Coordinator notified about NIRF 2020 submission and methods to get an improvement in the NIRF ranking process in the forum. He told that SMVEC has Ranked 46th among the top 100 Private Institution in India in DATAQUEST: T – SCHOOL and Ranked 57th among the top 100 Government T-Schools Overall (Government and Private) in India.
- Moreover, SMVEC has Ranked 188th INDIA TODAY ranking done by Marketing and Development Research Associates (MDRA) which is a premier marketing research and consulting organization in India with focus on quantitative and qualitative research.
- Atal Ranking of Institutions on Innovation Achievements (ARIIA) is an initiative of Ministry of Human Resource Development (MHRD), Govt. of India to systematically rank all the leading higher educational institutions and universities in India related to “Innovation and Entrepreneurship Development” amongst students and faculties in the academic year 2019-20. He told that SMVEC has participated in ATAL Ranking in the Year 2019-20.
- He added a point that SMVEC has participated in NIRF RANKING the academic year 2019-2020. He gave some ideas to get NIRF RANKING. Faculty members are motivated to publish more number of research papers. Faculty members are requested to submit more research proposals and consultancy works. SMVEC is trying to get higher package job offers to increase the median salary and to Promote the Institutional achievements to the public, industry sectors to create very good impact about the Institution.

15.19 Placement Activities

- Dr.N.S.N. Cailassame, Placement Officer, said that SMVEC is accredited by TCS as B Grade. More than 90 % placement is obtained by SMVEC for last 5 years, CoE is

made with various industries and SMVEC is a Continuous Winners of TCS and other corporate events.

- He read out Placement Report for the year 2019-2020. The total placement for the year is 1015. He highlighted the maximum package received by the student which is obtained in the company, Morgan Stanley with a salary package of 11 Lakhs. The students are placed in Kaar Technologies- 10, Zoho- 26, Infosys- 2, TCS (Digital)- 7, Microchip-1 , TCS-357, HCL- 28, Infosys-16, TVS Lucas-23 ,Ladder and Survey Pvt ltd- 12, Tenneco Automotive- 10 etc.,
- He announced that students were undergone training in the year 2019-2020 that includes TCS, Zoho, Unisys, Kaar, Axis Bank ,Indian Bank, Shriram Life, Manatec, Reliance Industries, Airtel etc. He told that for the academic year 2020-2021, students will undergo internship in TCS, Zoho, Unisys, Shriram Life, Manatec (2020-21) as a part of Industry-Institute Interactions.
- The Placement Officer proudly said that for the academic year 2020-21, Placement is obtained in Kaar-6, Unisys-1 as on date. Dream offers are planned in the following companies like Adobe, Samsung, Compass, Reliance Jio, Great Learning, PWC, Philips, Wheels India, Microsoft, Amazon. Core Companies placements are planned in the following companies like ASI, Schneider Electric. ABB. Robert Bosch. Siemens. General Electric. L&T Thermax Kirloskar Ipoex Valeo Ramco cements Spic Orion.
- He added a point that MoUs are signed with BluePrism–RPA, Eccouncil – Cyberescrurity, Wipro Talent Next campus, PTC for PLM, Automatiom Anywhere etc. No of industrial lectures conducted by SMVEC from Companies are 16. It is conducted in collaboration with TCS, Infosys, Wipro, Blueprism, Infoview, Wheels india etc.,
- The quarterly target for placement cell is to get three product companies with pay package of more than 7 lakhs and to get 3 core companies.

15.20 Training Activities

- Training Activities are presented by Dr.J. Madhusudhanan, Head/Artificial Intelligence and Data Science, Training Coordinator. He explained about training activities to be conducted for the Period July 2020-December 2020 and Employability Enhancement Courses for July 2020-December 2020.
- Training Activity for the period July 2020 to December 2020 are planned in Verbal training, reasoning training, Aptitude training, Technical training, advanced training, softskill, mock interview. It is planned for 35 Days. Moreover, he presented about the Training schedule to be given from I semester to VIII semester. It covers Communication

skills, Presentation Skills, Planning & Goal Setting, Time Management, Personal Grooming, Group Discussion, Inter and Intra Personal Skills, Team Building, Aptitude Training, Logical Reasoning, Technical, Higher Education and Other Competitive exams.

- As a final point, Training coordinator depicted about the details of the Bentley, Festo, Eplan, Autodesk, Texas instruments, Microsoft, Cisco and programs which are conducted by the training division to the various departments.

The Training & Placement division has planned to conduct career development program for the current final year students for (35 days). The final year students are grouped under two categories as Group- A and Group- B. The training schedules for each group are given below.

The details are given below for next 35 days

Group-A

Sl no.	Program Name	Number of Days	Training Organization Name
1	Verbal Training	3 Days	Enrich &Excell and SMART
2	Reasoning Training	3 Days	FACE/Innate
3	Aptitude Training	6 Days	Innovative service/Innate
4	Technical Training	8 Days	Innovative service/Skillrack
5	Advanced Technical	12 Days	Skillrack/FACE/Top fresher
6	Softskill	2 Days	Enrich &Excell/FACE
7	Mock Interview	1 Day	Alumni/Skillrack/FACE

15.21 NPTEL Courses /Conferences planned

NPTEL Courses planned:

- Dr.S,Anbumalar, Coordinator/ IQAC revealed about MOOC/NPTEL/Coursera Registration, Professional body activity details. She told that 3254 enrollments were done in 541 courses during the period January-April 2020. 258 Candidates are passed based on Assignment Score. Total Number of Exam Enrollments done made during the period January-April 2020 is 258.
- Moreover, she said that during the period, July-November 2019, 96 students and 162 faculties have been registered respectively. All the members cleared in NPTEL courses. During the period, July-December 2020, Total No. of Enrollments is 822 including 545 Student Count, 277 Faculty Count in 392 courses.
- In Coursera Platform, 520 Active Members are present, No of enrollments in various courses in Coursera Platform is 2777, No of certification completed in various courses by the faculty is 553 during May-December 2020.

Conferences planned:

Conference Name: International Conference on Innovation in Science, Management, Engineering and Technology- ICISMET '21

Conference Date: 17.06.2021 & 18.06.2021

15.23 Students Welfare Measures

- Students Welfare measures are narrated by Dr.S,Anbumalar, Coordinator/ IQAC on behalf of Dr.Raju,HOD/IT, Students Welfare,who is on leave that day. She explained about Student Needs & Counseling, Student Affairs Cell, and Formation of student council. The frequency of meeting duration is Twice in a semester. She briefed the functions of the various committees under student welfare.
- She enlightened about Student Scholarships like PG scholarship, AICTE doctoral fellowship (ADF), Pragati scholarship, Saksham scholarship, Prerana – Scheme for preparing SC/ST students for higher education, Samriddhi – Scheme for SC/ST students for setting start-ups, Support to students for participating in competition abroad (SSPCA),AICTE-INAE travel grant scheme
- She also explained about Transport, Co-Curricular & Extracurricular events, Alumni Association, Anti-Ragging Committee, Overview of Discipline Committee. She briefed about the Handbook for Code of Discipline ie Code of Conduct and Ethics and Student Complaint Procedure.

15.24 Any other matters with the permission of the Chair

IQAC coordinator invited the members to share their views. Stakeholders gave the suggestions in the meeting.

- Mr.M.Santhosh, Manager, IBM, Alumni suggested that more problem solving skills oriented course can be given to the students to get higher salary package placement.
- S.Kailashkumaran / IV Year/ICE student member told that our college is taking good initiatives in the placement activities. He thanked the Management.
- S.Anbusezhian, Parent member appreciated about the training and placement activities given by the college.
- Dr.N.Alagumurthi, Professor and Head, Mechanical Engineering, Pondicherry Engineering College, Puducherry gave the following suggestions in the IQAC meeting. He said that the review and confirmation of Vision and Mission statements is good. He highly appreciated the NBA-Continuation of Accreditation. He suggested that Library budget is to be added to the agenda of the meeting. The norms have to be followed. It is suggested that last 3 years budget to be added. The range of percentage for budget allocation for infrastructure and library is to be mentioned.
- Academic expert put forward salient points to improve the academic standards of SMVEC and to maintain the highest standards of education. Certificate courses may be divided in to four groups like
 - 1) Value added course (supporting the curriculum) eg. Cloud, IOT

2) Life skill course eg..Time management

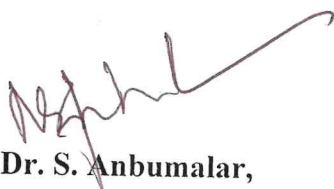

3) Skill based course-aptitude and communication

4) Other Vocational courses like solar panel course, Pottery making

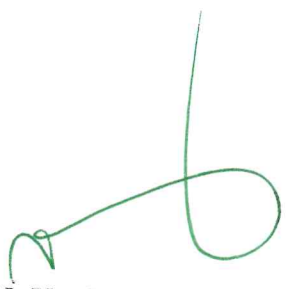

- He illustrated about that the pattern of presentation. It is suggested that in the presentation, it is needed to address about student level, staff level, department level, college level. Each staff and student has to be assigned what to do next quarterly period to achieve, Plan of activities to be added. Target is to be fixed for Student in the department in the next quarter period. He told that Academic research can be included in the presentation and the details are to be given about how many students are registered for PhD.
- The Academic expert said that, Examination manual preparation is good. Statistics are to be given about the evaluation system. No. of revaluation is to be minimized. Error is to be fixed at 0%. The solution is to be found for How to reduce the no. of revaluations. Instead of pass board the Result pass board terminology may be used. It is to be described how many days to complete the exam process. Plan for different phases of examination system is to be given. Central valuation for phase I, II, III may be specified based on the completion of second/third/final year examinations.
- Funding can be obtained from the Ministry of sports and authorities, SAI and Rajiv Gandhi Institute of youth and development. In NAAC, there is some mark for sports related activities. The Physical Education department has to take the initiatives to organize sports competitions in the campus. Students are to be motivated to participate in National and International level competitions.
- To get NIRF ranking, it is suggested to refer NIRF ranked college and Pondicherry Engineering College for last three years. Comparative statement is to be made, based on the comparison, the required measures have to be taken to get NIRF college ranking. The important parameters in the NIRF ranking process are Research activities, financial budget, and stake holders' perception. Stake holder's feedback has 10% of weightage in the total mark.
- The data are to be given for the placement is as follows: Students sanctioned intake, admitted strength, students enrolled for placement, students placed. For Industry-Institute Interaction, the data are to be given under 4 categories. Industry-Institute Interaction has 4 components 1)MOU 2)Collaboration 3)Tie-up 4)Linkages
- It is suggested to make tie-up with Institutes, foreign universities, IITs, ISRO, IGCAR, NLC etc. Target is to be fixed for each department and it is ensured that students have to

take part in all activities in last 5 years. Centre for continuing education is to be strengthened by E padasala. For Professional activities, it is advised to add the student level professional activities.

- The Academic expert said that we can apply for accreditation to IEI, through that we get a name an IEI certified department. Funding can be obtained from IEI. For Student welfare measures, it is suggested to give how many students got benefitted using institutional/central /state scholarship. The manual has to be prepared for the scholarships. It is to be disseminated among the students.
- Alumni chapters may be formed local, National, International, Overseas chapters. No of Alumni activities and their contribution is to be discussed. Separate account is to be maintained for Alumni contribution. Separate faculty is to be nominated for Alumni chapter activities
- It was decided that the discussion and suggestions given by the members will be taken forward as an action plan for the year 2020-2021 for execution. The meeting ended at 1.15pm
- Director cum Principal appreciated all the members of IQAC for their interactive participation and their valuable suggestions to improve the quality of our college in all the aspects.
- All the points discussed in the 15th IQAC meeting were recorded. Dr.S.Anbumalar, coordinator/ IQAC finally thanked all the members of IQAC for their valuable and valid suggestions given for the further improvement of the quality standards of SMVEC.
