- B. **Management Studies** : M.B.A Programme
- C. **Computer Applications** : M.C.A Programme
- D. **Architecture** : B.Arch Programme
- E. **SMVEC – School of Arts and Science** : UG and PG Programmes
- F. **SMVEC – College of Allied Health Sciences** : UG/Diploma Programmes
- G. **SMVEC – College of Agricultural Sciences**
B.Sc. (Hons.) Agriculture Programme
B.Sc. (Hons.) Horticulture Programme
- H. **SMVEC – College of Physiotherapy** : BPT Programme
- I. **SMVEC – Centre of Legal Education** : UG Programmes
- J. **SMVEC – Pharmacy College** : B.Pharm. Programme and D.Pharm Programme

	The Curriculum and Syllabus for all UG and PG programs offered in our institution were recommended by the concerned Board of Studies (BoS). The minutes of the concerned BoS were submitted to the Academic Council.
Resolution	Resolved to Approve the minutes for BoS of all the UG and PG programmes

AC 2024.11.08.03

To approve the Introduction of various Honours and Minor Degree Programmes and its Regulations (along with the B.Tech Programmes chosen by the students) for the Students admitted from the Academic Year 2023-2024

Suggestion(s)	<ul style="list-style-type: none"> ➤ Enable fast learners to complete the courses before the stipulated time by allowing them to take an additional two courses per semester. For other students, additional time may be provided. ➤ Following the same syllabus for Honors and Minor degree programs should be avoided. Introductory level course syllabus can be offered for the minor degree ➤ Minor degree courses can include areas like Legal Studies, Pharmacy and Agriculture, with agriculture-related sustainable courses and region-specific content. ➤ Offer two-credit courses in disciplines like BPT, Law, and engineering-oriented fields for all schools. ➤ Include programming languages in BPT and Law curricula, and ensure 30% programming content in all non-engineering programs and colleges. ➤ Industry-aligned courses can be introduced in Minor and Honors degree programs, while program electives should remain distinct from these.
Resolution	<p>The Academic Council resolved to approve the introduction of various Honours and Minor Degree Programmes, along with their respective regulations. These programmes will be implemented alongside the B.Tech programmes chosen by students admitted from the Academic Year 2023-2024. The Council acknowledged the importance of these initiatives in enhancing the academic and professional opportunities for the students.</p>

AC 2024.11.08.14

To apprise the Academic Council about the Training and Placement Division Activities for the Academic Years 2023 - 2024 and 2024-2025

- (i) Various career and life skill training activities conducted
- (ii) Internship program offered to the students
- (iii) Placement details for Academic Years 2023 - 2024 and 2024-2025

Suggestion(s)	<ul style="list-style-type: none"> • The Dean of Placement should implement methodologies to increase the minimum package by utilizing professional trainers for training and identifying the areas in which the industry is working or seeking talent. • Additionally, preparing statistics on available placement opportunities and circulating them among students is essential. • From the first and second years onwards, special sessions addressing industrial needs can be conducted, as students with strong programming skills have the potential to receive job offers of up to 30 to 40 lakhs. It is also important to create the impression in core engineering that coding is an integral part of their domain. • To enhance industry connections, consulting local industrial experts and appointing them as Professors of Practice will be beneficial, as they can interact with students once or twice a month, keeping them informed about current industry trends.
----------------------	---

Resolution	The Academic Council resolved to commend the Training and Placement Division for its efforts in conducting career and life skill training activities that enhance student readiness for the workforce. The Academic Council recognizes the significance of the internship programs offered to students, which provide practical experience and valuable industry exposure.
