Name of the Event	CAREER OPPURTUNITIES FOR EEE	ORATORY & HINTS MAKING
Description of the Event	For the session CAREER OPPORTUNITIES FOR EEE, conducted by Mr.J. Murugandham, AP/EEE, students were introduced to the vast range of career paths available for those pursuing a degree in Electrical and Electronics Engineering (EEE). The session covered various industries and sectors where EEE graduates can excel, including power generation, renewable energy, automation, electronics design, telecommunications, and more.	The event ORATORY & HINTS MAKING aimed to enhance the communication and critical thinking skills of first-year students. During the session, students were encouraged to participate in oratory activities, allowing them to practice public speaking and articulate their thoughts confidently.
Staff Coordinator	MR.J.Muruganandham	MR. G.Rajavel
