CLUB ACTIVITY

The objectives of the club are

1. To provide students a platform where they gain knowledge about the Anatomy of the Computer.
2. To provide students a platform where they can share their knowledge on current trends in Information Technology.
3. To make students aware of the evolving technologies by organizing Seminars, Workshops & Guest Lecturers.
4. To help students in enhancing their presentation and organizational skills.
5. To keep pace with the competitive world by conducting various activities like
 - a) Paper Presentation
 - b) Technical Quiz
 - c) Code creator
 - d) Banner Design
 - e) Multimedia presentation
