CLUB ACTIVITIES - REPORT

DATE:27.06.23

DAY: Tuesday

The club organized a “Mock Interview” to familiarise the students with the placement environment. Through a series of informative talks, participants gained insights into the various levels of company placements. The event provided a platform for students to get awareness on Interviews under the guidance of industry experts.

A handwritten signature in black ink, appearing to be "Dr. K. Premkumar".

- A. The objectives of the training were clearly defined.
- B. Participation and interaction were encouraged
- C. The topic covered were relevant
- D. The training experience will be useful in future

Session: Mock Interview

DATE: 27.06.2023

OUTCOME OF THE SESSION

By attending the Mock interview session:

- Participating in mock interviews, become familiar with the interview process, gain confidence, and refine your interview skills.
- This feedback allows you to identify areas to focus on and make necessary adjustments before the actual interview.
- Equipping to handle nerves and present yourself more effectively in real interviews.
- Significantly enhance your chances of success in actual job interviews.
- Helps reduce anxiety and prepares you for the actual interview setting.

CLUB ACTIVITIES - REPORT

DATE:..09.09.2023

DAY: Saturday

The TECHKNOCKS club organized a technical event that focused on "FIGMA UI TRAINING". Through a series of informative talks and workshops, participants gained insights into topics such as exploring the advancements, applications, ethical considerations. The event provided a platform for students to expand and explore the knowledge.

GUEST LECTURE ON –TRAINING ON UI FIGMA INTERFACEDATE:09.09.2023

OUTCOMES OF THE GUEST LECTURE

Through this guest lecturstudents were

- Discussed the methods of handling the Interview.
- Provided a platform to enhance their knowledge in these fields.
- Motivated by professionals to further explore this domain and incorporate the concepts learnt in mini-projects.
- Given an opportunity to interact with experts and get their valuable insights about their experience in the fields

OUTCOME OF THE GUEST LECTURE

By attending the lecture on “**Research Methodology**”:

1. **Clear Research Objectives:** Define precise research objectives that outline what the study aims to achieve, ensuring clarity and focus throughout the research process.
2. **Robust Methodological Design:** Develop a well-structured research design, including appropriate sampling techniques, data collection methods, and analytical tools, to ensure reliability and validity of findings.
3. **Ethical Considerations:** Adhere strictly to ethical guidelines, ensuring participant confidentiality, informed consent, and responsible conduct throughout all stages of the research.
4. **Thorough Data Analysis:** Employ rigorous data analysis techniques, such as statistical tests or qualitative coding, to interpret findings accurately and derive meaningful insights from the collected data.
5. **Conclusive Findings:** Present clear and comprehensive conclusions that address the research objectives, highlight key findings, and discuss their implications, thereby contributing to the advancement of knowledge in the
