HEALTH AND YOGA CLUB

Date: 09.09.2023 Venue: Conference Hall, SMVEC

Aim of the Event:

To understand the MENTAL HEALTH AWARENESS for Students.

Mental health is a state of mental well-being that enables people to cope with the stresses of life, realize their abilities, learn well and work well, and contribute to their community. It is an integral component of health and well-being that underpins our individual and collective abilities to make decisions, build relationships and shape the world we live in. Mental health is a basic human right. And it is crucial to personal, community and socio-economic development.

Mental health is more than the absence of mental disorders. It exists on a complex continuum, which is experienced differently from one person to the next, with varying degrees of difficulty and distress and potentially very different social and clinical outcomes.

Key topics

- ✓ Affordable, effective and feasible strategies exist to promote, protect and restore mental health.
- ✓ The need for action on mental health is indisputable and urgent.
- ✓ Mental health has intrinsic and instrumental value and is integral to our well-being.
- ✓ Mental health is determined by a complex interplay of individual, social and structural stresses and vulnerabilities.

Student's Feedback:

As per discussion with the students, the topic covered was appreciated by most of the students and requested to arrange such talk in the future also. They also requested to arrange many awareness to get more awareness in Mental Health.
