Dear Students,

As a part of our Pranit Club's commitment to nurturing critical thinking skills among our students, we're thrilled to unveil an engaging and thought-provoking event on 08.06.24. We're excited to announce an Soft skill Training – English Communication aims for the students to overcome stage fear. And, they also explained how acquiring the skills are crucial for professional as well as personal development. With all the hype around soft skills, it's important to have a solid understanding of what they really are. Soft skills are non-technical skills that impact the way you absorb information, do your day-to-day work, interact with others, solve problems, etc. This broad category includes interpersonal skills, communication and listening skills etc.

**Name of the Event: Group Discussion
Program**

Date of the Event: 12.07.24

Number of Participants: 25

Event Incharge: Mr.R.Suresh

Description:

Participants are expected to engage in a balanced, respectful discussion. The ability to present strong arguments, rebut opposing views, and ask insightful questions is crucial. However, they must also listen actively and avoid dominating the conversation.

Group discussion competitions help participants develop critical soft skills like public speaking, critical thinking, teamwork, and the ability to articulate ideas persuasively in a group setting.

Writing Activity

Date of the Event: 19.08.2024

Number of Participants: 39

Event Incharge: Mr.R.Suresh

Description:

We typically provide a prompt or a list of topics from which participants can choose. Topics can range from current events and social issues to personal experiences or creative ideas.

Essays are usually judged on criteria like originality, clarity, coherence, relevance to the topic, grammar, and structure. Some competitions may also assess creativity and persuasive arguments.

This helps the students for their Grammatical part in their English and also able to think about something and pour their thoughts in English.
