# **PRANIT CLUB ANNUAL REPORT**

**Academic Year: (2024 to 2025)**

**Submitted by**  
**Mr. R.Suresh**  
**Associate Professor**  
**Faculty Coordinator**

## **PRANIT CLUB**

**2024-25**

**Date: 13.09.2024**

### **OBJECTIVES**

1. To cultivate essential industry competencies, including communication, collaboration, leadership, creative thinking, problem-solving, and personal management, along with the ability to work effectively in teams and demonstrate strong leadership.
2. To foster a well-educated, informed, and conscious mindset.
3. To nurture adept leadership skills that enable individuals to achieve their goals and aspirations.
4. To promote positive body language and grooming habits, enhancing approachability, confidence, and professionalism.
5. To equip students with the skills to clearly and effectively present their ideas, enabling them to market themselves as competent professionals.

### **PROPOSED ACTION PLAN**

- Implement training programs focused on communication, collaboration, leadership, creative thinking, problem-solving, and personal management. Incorporate group projects and leadership exercises to enhance teamwork and leadership abilities.
- Organize workshops and training sessions focused on communication, collaboration, leadership, and problem-solving.
- Incorporate group projects and team-building exercises into the curriculum to enhance teamwork and leadership skills.
- Encourage participation in industry-related events, internships, and seminars to apply these competencies in real-world settings.
