ACADEMIC REPORT

2024-2025

**EMPOWERING TEACHERS AND STUDENTS TO THRIVE IN A
CONNECTED WORLD**

Preface

The Indian Society for Technical Education (ISTE) Student and Faculty Chapter of Sri Manakula Vinayagar Engineering College serves as a professional platform dedicated to enhancing technical knowledge, practical skills, and professional competence among students and faculty members across various departments of the institution. The ISTE chapter is established with the objective of bridging the gap between academic learning and real-world engineering practices in diverse domains of engineering, technology, and applied sciences. The chapter actively promotes technical excellence through the organization of guest lectures, seminars, workshops, hands-on training sessions, and professional development programs conducted by industry experts and academicians. These activities provide students with valuable exposure to emerging technologies, modern industrial practices, and advanced engineering tools. The ISTE chapter also supports students in preparing for competitive examinations, enhancing research aptitude, and improving their problem-solving, analytical, and decision-making abilities. The effective functioning of the ISTE chapter is guided by the Heads of Departments, faculty coordinators, and active student members who work collaboratively to plan and implement various professional and academic initiatives.

Through its continuous initiatives and professional activities, the ISTE chapter strives to develop technically competent, ethically responsible, and industry-ready engineers while contributing to academic excellence and the advancement of engineering and technological education within the institution

ABOUT THE INSTITUTE

Sri Manakula Vinayaga Educational Trust was founded to provide quality and affordable education to the weaker sections of society. The trust established Sri Manakula Vinayagar Engineering College (SMVEC) in 1999. SMVEC is an autonomous institution affiliated to Pondicherry University. It offers 13 undergraduate, 8 postgraduate and 11 Research programs in engineering. SMVEC has been accredited by NAAC with “A” grade and NBA. The institution is also accredited by TATA consultancy services. The college has a good placement record with students getting job offers from top companies in India and abroad. SMVEC students have won many awards and accolades for their academic achievements. To be globally recognized for excellence in quality education, innovation and research for the transformation of lives to serve the society

Vision

To nurture the cornerstone of excellence in engineering education and drive innovation by seamlessly integrating the fundamentals of Science and Humanities

Mission

M1: Quality Education : To provide comprehensive academic system that amalgamates the cutting edge technologies with best practices.

M2: Research and Innovation : To foster value-based research and innovation in collaboration with industries and institutions globally for creating intellectuals with new avenues.

M3: Employability and Entrepreneurship : To inculcate the employability and entrepreneurial skills through value and skill based training.

M4: Ethical Values : To instill deep sense of human values by blending societal righteousness with academic professionalism for the growth of society.

ABOUT ISTE

The Indian Society for Technical Education (ISTE) Chapter of Sri Manakula Vinayagar Engineering College is dedicated to promoting technical excellence, professional skills, and innovation among students and faculty members across various engineering and technology disciplines. The chapter serves as a dynamic platform where students bridge the gap between theoretical knowledge and practical application through guest lectures, workshops, seminars, and hands-on training programs. The ISTE chapter organizes a wide range of technical activities covering emerging areas of engineering and technology. Through industry interaction, technical programs, and professional development initiatives, the chapter enhances students' technical competence, leadership qualities, and problem-solving abilities. The ISTE chapter aims to develop skilled, confident, and industry-ready engineers who can contribute effectively to technological advancement and sustainable national development.

Objectives of ISTE

The primary goal of ISTE are as follows:

- To enhance technical competency through guest lectures, workshops, seminars, hands-on training sessions, and industry interaction programs.
- To promote innovation, research, and awareness in emerging areas of engineering, technology, and interdisciplinary domains.
- To develop analytical thinking, problem-solving ability, leadership qualities, and teamwork among students.
- To prepare students for professional careers and competitive examinations by strengthening their technical knowledge and practical exposure

ISTE NATIONAL ANNUAL FACULTY CONVENTION

29-30, November 2025

“Where knowledge meets innovation to shape the future of engineering.”

Academic Departments Overview

The departments at Sri Manakula Vinayagar Engineering College offer high-quality undergraduate, postgraduate, and research programs across diverse engineering and technology disciplines including Computer Science Engineering, Information Technology, Electrical and Electronics Engineering, Electronics and Communication Engineering, Mechanical Engineering, Civil Engineering, Instrumentation and Control Engineering, Biomedical Engineering, Mechatronics, Computer and Communication Engineering, Artificial Intelligence and Data Science, and the School of Architecture.

The departments focus on academic excellence, innovation, research, and industry-oriented learning, preparing students with strong technical knowledge and professional skills to meet the challenges of modern engineering and technological development.

Vision

To develop competent engineers and professionals through quality technical education, innovation, and ethical values, contributing to technological advancement and societal development.

Mission

M1: Quality Education: To provide a comprehensive academic system that integrates cutting-edge technologies with best educational practices to ensure quality technical education.

M2: Research and Innovation: To foster value-based research and innovation in collaboration with industries and global institutions, creating new knowledge and intellectual opportunities.

M3: Employability and Entrepreneurship: To develop employability and entrepreneurial skills among students through value-based and skill-oriented training.

M4: Ethical Values: To instill a strong sense of human and ethical values by blending societal responsibility with academic professionalism for the betterment of society.

Details of .ISTE Activities Conducted

ISTE Activity (AY: 2024-2025)

S.No	Name of the Event / Workshop	Organized under (Department)	Date of Event	Level (State / National / International)
1.	Hands-on Training on “Full Stack development”	SMVEC / CSBS Department	02.08.2024	Department Level
2.	Guest lecture on “Software Testing and Development”	SMVEC / CSBS Department	04.09.2024	Department Level
3.	Lecture Series on “Cyber Security using Industry Tools”	SMVEC / CSBS Department	18.09.2024	Department Level
4.	Technical Quiz on “Programming in Java”	SMVEC / CSBS Department	29.09.2024	Department Level
5.	Guest lecture on Effective Strategies for GATE Exam Preparation- 2024	SMVEC / Civil Department	15.07.2024	Department Level
6.	Hands-on training session on “Non-Destructive Testing on Concrete	SMVEC / Civil Department	03.09.2024	Department Level
7.	Presentation on “Emerging Technologies”	SMVEC / ICE Department	15.02.2025	Department Level
8.	Group discussion on “industry 4.0”	SMVEC / ICE Department	08.03.2025	Department Level
9.	Career Opportunities for Eee Graduates	SMVEC / EEE Department	10.09.2024	Department Level
10.	Hands On Session on Logical Thinking	SMVEC / EEE Department	11.09.2024	Department Level
11.	Debate And Group Discussion	SMVEC / EEE Department	12.09.2024	Department Level

S.No	Name of the Event / Workshop	Organized under (Department)	Date of Event	Level (State / National / International)
12.	Awareness Session on Technical Events	SMVEC / EEE Department	13.09.2024	Department Level
13.	Mastering the Art of Prompt Engineering for Innovation in Generative AI	SMVEC / IT Department	14.10.2024	Department Level
14.	Exploring Business Models of E-Commerce, M-Commerce, and Q-Commerce with Intellectual Property Insights	SMVEC / IT Department	22.02.2025	Department Level
15.	From Idea to Execution: Prototype and Process Development for Business Models & Services	SMVEC / IT Department	18.04.2025	Department Level
16.	Workshop on Machine Learning Foundations for Innovators & Start-upS	SMVEC / IT Department	07.04.2025	Department Level
17.	Workshop on Innovations in AI for Healthcare: From Research to Real-World Impact	SMVEC / AI&DS Department	17.04.2025	Department Level
18.	Session on Innovation on AI in Architecture	SMVEC / AI&DS Department	16.04.2025	Department Level
19.	Seminar on Innovations in Geo-Informatics, Nano-Technology, and Precision Farming	SMVEC / AI&DS Department	29.03.2025	Department Level
20.	Innovation Quest: Coding Challenge Unleash your Problem-Solving and Innovation skills	SMVEC / AI&DS Department	15.11.2024	Department Level
21.	Seminar on Leveraging AI and ML for Innovative Solutions and Entrepreneurial Success	SMVEC / AI&DS Department	04.10.2024	Department Level

S.No	Name of the Event / Workshop	Organized under (Department)	Date of Event	Level (State / National / International)
22.	Crack the Code: A Workshop on Problem-Solving, Data Structures, and Algorithmic Thinking for Innovative Solutions	SMVEC / AI&DS Department	13.09.2024	Department Level
23.	Guest Lecture on Application of artificial Intelligence	SMVEC / CSE Department	11.09.2023	Department Level
24.	Design Thinking in IoT	SMVEC / CSE Department	19.09.2024	Department Level
25.	Innovators day	SMVEC / CSE Department	13.09.2024	Department Level
26.	3D Modeling and Design Fundamentals	SMVEC / MCTR Department	17.04.2025	Department Level
27.	Testing Of Electronic Devices In Hardware	SMVEC / MCTR Department	09.04.2025	Department Level
28.	Industrial Visit to MSME: Exploring Machinery and Manufacturing Technologies	SMVEC / MCTR Department	26.07.2025	Department Level
29.	Exploring Manufacturing and Welding Solutions at ESAB India Pvt. Ltd	SMVEC / MCTR Department	21.03.2025	Department Level
30.	How to Qualify and Classify a Medical Device	SMVEC / BME Department	06.07.2024	Department Level
31.	Role of Biomedical	SMVEC / BME Department	30.08.2024	Department Level
32.	Lifeline Behind the Machines: Key Role and Responsibilities of a Biomedical Engineer in Hospitals	SMVEC / BME Department	05.10.2024	Department Level

S.No	Name of the Event / Workshop	Organized under (Department)	Date of Event	Level (State / National / International)
33.	Robotics and AI in Health Care	SMVEC / BME Department	12.03.2025	Department Level
34.	Web Development	SMVEC / CCE Department	13.06.2024	Department Level
35.	Startup Ignition: LEAN Methods & Minimum Viable Product Design	SMVEC / CCE Department	11.07.2025	Department Level
36.	Transforming Ideas to Project and Funding Opportunities	SMVEC / CCE Department	20.08.2025	Department Level
37.	Federated Learning in Distributed Internet of Things	SMVEC / CCE Department	30.08.2025	Department Level

ISTE Activity

1. DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

EVENT 1: Career Opportunities for EEE Graduates

EVENT 2: Hands On Session on Logical Thinking

EVENT 3: Debate And Group Discussion

EVENT 4: Awareness Session on Technical Events

2. DEPARTMENT OF COMPUTER SCIENCE AND BUSINESS SYSTEMS

EVENT 1: Guest Lecture on “Mathworks”

EVENT 2: Guest lecture on “Software Testing and Development”

EVENT 3: Lecture Series on “Cyber Security using Industry Tools”

EVENT 4: Technical Quiz on “Programming in Java”

3. DEPARTMENT OF CIVIL ENGINEERING

EVENT1: Guest lecture on Effective Strategies for GATE Exam Preparation- 2024

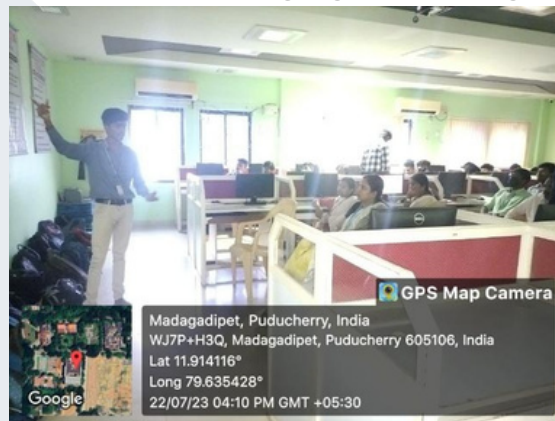

EVENT 2: Hands-on training session on “Non-Destructive Testing on Concrete

4. DEPARTMENT OF INSTRUMENTATION AND CONTROL ENGINEERING

EVENT 1: Presentation on “Emerging Technologies”

EVENT 2: Just a minute

5. DEPARTMENT OF INFORMATION TECHNOLOGY

EVENT 1: Mastering the Art of Prompt Engineering for Innovation in Generative AI

EVENT 2: Exploring Business Models of E-Commerce, M-Commerce, and Q-Commerce with Intellectual Property Insights

EVENT 3: From Idea to Execution: Prototype and Process Development for Business Models & Services.

EVENT 4: Workshop on Machine Learning Foundations for Innovators & Start-ups

6. DEPARTMENT OF ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

EVENT I Workshop on Innovations in AI for Healthcare: From Research to Real-World Impact

EVENT 2: Session on Innovation on AI in Architecture

EVENT 3: Seminar on Innovations in Geo Informatics, Nano Technology, and Precision Farming

EVENT 4: Innovation Quest: Coding Challenge Unleash your Problem Solving and Innovation skills

EVENT 5: Seminar on Leveraging AI and ML for Innovative Solutions and Entrepreneurial Success

EVENT 6: Crack the Code: A Workshop on Problem Solving, Data Structures, and Algorithmic Thinking for Innovative Solutions

7. DEPARTMENT OF COMPUTER SCIENCE ENGINEERING

EVENT 1: Robotic process automation-A talk

EVENT 2: Testing of electronic devices in hardware

EVENT 3: Workshop on “Stress Management”

8. DEPARTMENT OF MECHATRONICS

EVENT 1: 3D Modeling and Design Fundamentals

EVENT 2: Testing Of Electronic Devices in Hardware

EVENT 3: Industrial Visit to MSME: Exploring Machinery and Manufacturing Technologies”

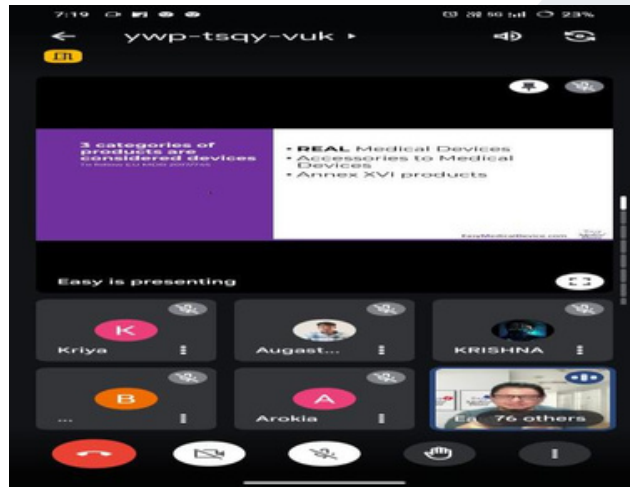

EVENT 4: Exploring Manufacturing and Welding Solutions at ESAB India Pvt. Ltd.

9. DEPARTMENT OF BIOMEDICAL ENGINEERING

EVENT 1: How to Qualify and Classify a Medical Device

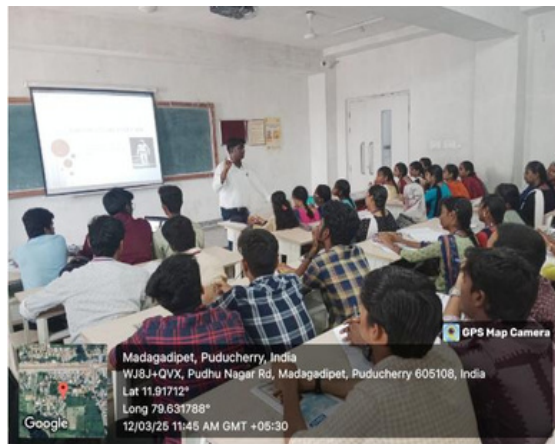

EVENT 2: Role of Biomedical

EVENT 3: Lifeline Behind the Machines: Key Role and Responsibilities of a Biomedical Engineer in Hospitals

EVENT 4: Robotics and AI in Health Care

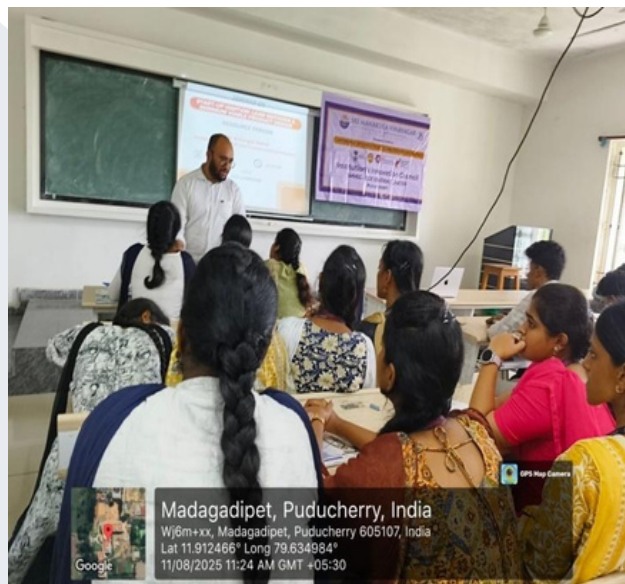

10. DEPARTMENT OF COMPUTER AND COMMUNICATION ENGINEERING

EVENT 1: Web Development

EVENT 2: Startup Ignition: LEAN Methods & Minimum Viable Product Design

EVENT 3: Transforming Ideas to Project and Funding Opportunities
