DEC 2022 - MAY 2023

A Stimulating Place to Learn and Practice Technology

Department of Information Technology

The Department was established in the year 1999 with the vision of producing dynamic and versatile technologists. The eminent faculty members of the department possess demonstrated expertise in various domains of Information Technology that made learning process much easier and transform students as Top-notch engineers being hunted by top Multi-National Companies

Courses Offered

U.G	B. Tech - Information Technology
-----	----------------------------------

Vision

To be a pioneer in the field of Information Technology by achieving academic excellence, involving in research and development and promoting technical and professional expertise

Mission

M1: Expertise: To impart quality education and create excellent engineers with strong analytical, Programming and Problem solving skills to meet the ever changing demands of IT industry

M2: Eminence: To kindle creative thinking, innovation and foster value-based research in the field of information technology

M3: Compliant: To enrich the employability skills, inculcate entrepreneurial ideology and promote professional expertise

M4: Exemplar: To instil human values, ethical responsibilities and empowering graduates to be socially responsible and technically competent
